## Round 3 - 21/4/07

U12/1

## Doonside 2 v Glenwood 0

The boys played Glenwood today. Parents watched as our forwards, Cameron, Jordan W and Jackson were determined to score. With some great passes from Pedrag, Jaiden, Daniel M and Corey, Jackson and Cameron finally scored with headhigh kicks. Amazing defending from Thomas, Timothy, James and Jordan K. stopping many attempts by Glenwood for a Goal. But as always Joshua's reflexes as Goalie were focused and saved many attempts. Daniel C was absent. Most valuable player was Tim. Fantastic teamwork boys.

---

## Round 4 - 28/4/07

U12/1

## Doonside 1 v Lourdes 1

Missed the first half due to watching my other boys game. When I arrived the score was 0-0. The boys were eager to score. Second half was full of great passes from Jordan N, Jordan W, Tim, Daniel C, Daniel M and Pedrag. Defenders Jordan K, James, Thomas, Corey and Jaiden had to work hard to keep the opposition from scoring. Josh again showed us his reflexes were in tune by saving many attempt. With 10 minutes left Cameron received a great pass and scored our 1st goal, with one of his famous high kicks. Lourdes weren't happy and with one minute left they scored matching us. Jackson away. MVP Jordan K. An exciting game to watch.

---

## Round 5 - 05/05/07

U12/1

## Doonside 3 V Rooty Hill 0

The boys started strong keeping the ball up their goal end most of the game. First half Jordan W, and Jackson scored a goal each. with Pedrag and Jordan N eager to match them. Daniel C, Jaiden and Daniel M keeping the pressure on, with Jordan K., James, Tim and Tom backing them up. Not much got through to the goalie but when it did Josh made it look easy once again. Cameron scored the 3rd goal in the 2nd half. MVP Cameron and Daniel M. Corey was away. Well done boys!

---

## Round 6 - 12/05/07

U12/1

## Doonside 4 v Prospect 0

In the first half the boy's started off pretty well with Jackson scoring the first goal in the 20th minute Cameron had a good attempt scoring but was unlucky. Daniel M had run the second goal with great team work by Jaiden. There was well ball skills By Jordan N, great teamwork by Cameron and Jackson, Joshua Morris with a great save in the second half of the game and good defence by Jordan K, Thomas and Tim. Good attempt by Pedrag at goal. Third Goal scored by Cameron from a corner. Daniel M and Jaiden teamed up to finish the game with a goal. Excellent team work MVP James.

---

## Round 7 - 19/05/07

U12/1

## Doonside 1 v QHill Tigers 0

A windy day hampered play for both sides. First half saw some solid defence and some good challenges by the forwards with a great attempt at scoring just before half time. During the second half the team lifted with more action in the oppositions half. Some gutsy tackling and good passing led to several opportunities to score but with no success. Finally a great goal scored from a corner kick put us in the lead where we stayed for the rest of the match. The boys are to be commended for their enthusiasm, commitment and hard work which is a credit to the direction and encouragement of the coach. MVP Daniel C.

---

## Round 8 - 26/5/07

U12/1

## Doonside 6 v Quakers Hill 0

Well we are off to a good start. Boy's are talking and passing well. Defence fantastic as usual by Tim, Corey, Tom, Pedrag, Jackson, Jordan K and Jordan N. It didn't take long for the first goal to be scored. An excellent cross by Cameron and an awesome header by Jaiden. Second goal came from a great pass from Daniel C to Cam and he put it away. As the game progressed we all have to agree that the boys always give us a great game to watch. Second half goal scored by Daniel M from a penalty kick. Great passes by James and Jordan throughout the game. Another goal scored by Jordan M after a great pass from Daniel M. More goals followed. unfortunately for Josh, he didn't get to show us his goal saving skills Quakers Hill couldn't get it past his team mates. It just goes to show you are a Great team with a great coach, Neal Morris. you deserve to be where you are. Well done Boys MVP Pedrag.

**Round 9 - 02/06/07**

**U12/1**

**Doonside 2 v Schofield 0**

Doonside Hawks U/12,1s kept their impressive season ticking over on the weekend with a 2-0 win over Schofields. Probably not one of our best efforts but still managed to dominate our opponents. The first half was pretty tight with both teams showing some good skill. But our defence held strong thanks to Tim, Jordan K, Pedge and Tom. Just before halftime, after clever lead up work, Cameron showed deft skills to chip past their keeper and give the Hawks a 1-0 lead at the break. After receiving some sound advise at halftime, the boys seemed a lot more interested and started to show a bit more cohesion in the midfield with Jordan

W, Jackson, Jordan N, Corey and James all contributing stoutly. With solid teamwork the boys up front started to shine lead by Cameron, Daniel C and Jaiden. It all came together when Jordan W executed his finish superbly to score the second goal and give us a winnable lead. This would not of been possible if not for the perfect display at the back by our keeper and Man of the Match Josh who made some spectacular and precise saves, especially the Free kick. Keep up the good work boys, with this enthusiasm, dedication and hard work this season will be very rewarding. Many thanks to Neil and Laila for constantly doing a great job. Good luck boys and keep striving to improve.

**Round 6 - 12/5/07**

**U/7 Whales**

Jahi Pritchard received this weeks Encouragement award and Zain Hassan received player of the match this round, a great effort by both boys. You can tell the boys have been practising there goal kicking as goals were scored by Benjamin Dalkeith, Jayden Davies, Connor McColl and Jahi Pritchard. There was also some great tackling by Aron Cruz-Dimaano. Great team work!

**Round 7 - 19/5/07**

## U8 Dolphins

It's good to see all the team enjoying themselves on the field. The girls are building confidence with every game. Well done girls. Special mention to Jade Copland who scored the Dolphins first goal of the season in round 8 against Plumpton. What a goal! Our Coach Jeff Harris is doing a great job with the girls, many of them whom have never played before. I would also like to thank the parents for their support with the team. On a final note keep up the good work girls, Go the Dolphins!

**Round 6 - 13/5/07**

**AA6**

**Doonside 4 v Blacktown Workers 2**

Finally a game to write about even though our first three games were good our passing was terrible( as anyone standing outside the change rooms at half time could tell you) .Blacktown turned up to play, but we just played better. Nathan Martyn scored three great goals and Scott Sunderland one. Some great work done by Chris Carter (the enforcer), Joe Valsamis and Michael Pearson. I should also mention that this team is made up of a couple of 15-16 year olds, 17-30 something and two at 40+.

Great work guys, keep it up.

**Round 7 - 20/5/07**

**AA6**

**Doonside 1 v Lourdes 0**

This game was going to be a big test for us as Lourdes was undefeated coming into this game. A great goal from Scott Sunderland in the first half was the only one that went in, even though there were plenty of shots from both sides. All the boys stepped up this week both young and old. Shane (Jacko) Jackson, Eric Sondaar, Chris (the enforcer) Carter, Michael Pearson had good games. Daniel Ruming had a great game in goals saving our backside more than once as he has done all season so far.

All these boring passing drills are starting to pay off.

Keep up the good work guys.

---

**Round 6 - 12/5/07**

**U8 Magpies**

**Doonside v Quakers Hill Tigers**

The boys had some bad memories of the previous time we played the Quakers Hill Tigers. They were very determined this time to ensure they put up a strong performance against a good team. They must have all had their Weet Bix for breakfast because everyone played outstandingly well. Our defence was rock solid, our midfield dynamic and the attack was extremely potent. Goals were scored by Daniel McDougall and Zac Evans to ensure we came out with a positive result. They were well supported by Ryan Miller and Lauren Medina who supplied some good balls to the forwards and assisted in defence.

Player of the Week: Lauren Medina

**Round 7 - 19/5/07**

**U8 Magpies**

**Doonside v Glenwood**

This was the one that got away! A game of missed opportunities is the best way to describe this game. The team played well moving the ball around the park and presenting the forwards with many opportunities to convert. Unfortunately it just was not our week. Particularly unlucky was Danyon Hossack who had many good attempts which were either well saved or just missed the target. Bayley Long and Jordan Coupe both had strong games in the midfield. But one player stood out this week that played with great determination and tackled anything that moved – Abraham Elias. If we continue to train hard and work on our skills we will see the majority of results go our way boys – great effort!

**Round 7 20/5/07**

**U10 Girls**

**Doonside 0 v Quakers Hill Tigers 4**

Quakers Hill moving the ball around nicely, Doonside keeping them in control. Ashlee saved a goal attempt by kicking the ball out from fullback. Isabella crossed in front to kick goal attempt out, saved by Rhiannon. Jessica headband ran the ball from half way only to have it blocked, excellent attempt Jess. Tayla and Abileigh kicked it to half way – across field then almost to their goal, fantastic job girls. Tayla ran hard and talked it up to the girls to keep the backs motivated, excellent job Tayla. The ball was taken up by Bonnie then Melanie unfortunately stopped at half way, great run girls. A big kick by Bonnie up to half way then taken by Shannon then kicked out, unlucky girls. A fantastic game was had by all, keep up the good work girls. Women of the match was Ashlee.

**Round 8 - 27/5/07**

**U10 Girls**

**Doonside 0 v Rooty Hill RSL 4**

Rooty Hill took their first shot at goal and kept up the pressure but our girls defended with so much spirit. Melanie was given the job of goal kicks and had some great big kicks out, fantastic job Mel. Jess headband had a great break away to make it about  $\frac{3}{4}$  of the field getting it past 3 of their players before being stopped, unlucky Jess. Tayla playing her heart out saved a huge shot at goal. The 3 backs and mids had a huge job defending and all did it so well. Tayla never stopped running and encouraging her team, fantastic job Tayla. Ashlee playing in goals saved many shots, saving some very hard and speedy attacks, excellent. Tahlia tried every trick to make some ground but luck not on her side. At half time all the girls were showing great spirit having input into how to turn the game around.

Georgia playing goalkeeper second half showed no fear, diving on everything even when her opponents feet were involved. After a penalty shot at goal Georgia stopped the shot even after the shooter had a second attempt. After the girls cleared the goals and got the ball to half way Tahlia took the fight to Rooty Hill, with everyone's hearts in our throats, she took the ball right to Rooty Hill's goal keeper, unlucky Tahlia. Shannon playing forward involved herself as many ways as she could to get the ball. Jess headband also tried every trick, she never stopped even when you thought she had no more, she picked up a notch and found more, great going Jess. Through this report a lot of girls have been mentioned but everyone on the team played there little hearts out never giving up, they played right to the end. Fantastic game girls. Women of the match was Tahlia.

**Round 9 - 03/06/07**

**U10 Girls**

**Doonside 0 vs Glenwood (RED) 1**

Once again our fullbacks had a great game, right from the start Glenwood were attacking and all the girls defended brilliantly. Jess headband had a good run down the side line. Good save by Emily H up the back. Some good passing by our girls and a fantastic save by Isabella in front of the goals. Rhiannon had a difficult time in goals as she was under constant attack, excellent job Rhiannon.

Rhiannon was on fire second half she had several runs up the field attacking their girls for the ball and never giving up, fantastic effort Rhiannon. Georgia had several attempts at goal and never gave up, no fear George. Shannon had a great game taking the ball up the field several times in both halves, unlucky Shannon. Some great passing of the ball by Emily H and Bonnie working together to clear the ball. Ashlee, Isabella and Tayla were under constant attack from Glenwood and held up well, fabulous job girls. A great game was had by all we had an excellent loss of 1-0. Women of the match was Rhiannon.

**Round 6 - 12/5/07**

**U14/2**

**Doonside 2 v Quakers Hill 3**

A close game today, both sides evenly matched. A lot of talking and passing, and the team battled to the final whistle. A couple of questionable off-sides frustrated the attack, but they soldiered on only narrowly missing the equalizer. Some terrific saves from Luke and defending well as always was Captain, Nathan Priem. He really does give it his all, well done. Goals today scored by Nur & Alvin, well done to the both of you.

**Round 7 - 19/5/07**

**U14/2**

**Oakville 5 v Doonside 3**

Not the best effort by the team, scrappy in places. All things tied at the break and it appeared we had a little lapse of concentration in the second half which saw them forge a lead that Doonside just could not get back. There of course were also glimpses of magic, resulting in goals from Jono, Brendan and a brilliant header past the keeper by Aman.

**Round 8 - 26/5/07**

**U14/2**

**Doonside 2 v Eastern Creek 1**

This game was an entertaining one, it went right down to the wire.. A huge team effort on this one, showing that fighting determination. Goals scored by Nelson & Brendon.

**Round 9 - 02/06/07**

**U14/2**

**Parklea Blue 1 v Doonside 1**

A hard fought draw today, with a couple of players down. A huge thank you goes to Brendan & James for covering the goalie duty in the absence of our champ goalie Luke. Well done to you both for not only stepping up to the plate, but also for the magnificent job you both did. A mention must once again go to the defence, Priemy, Garreth, Shaq, Monti, week in and week out you all work hard.. Well done to you all, it certainly doesn't go unnoticed. Goal today was scored by Julian.

---

**ROUND 7 - 19/5/07**

**U11/3**

**DOONSIDE 1 V QHILL TIGERS 2**

Well what a game we were playing one of the top teams in the comp and we matched them up front and back. We had a couple of shots that unfortunately missed the nets. David scored a great goal and we went to half time 1 all. Second half was very even and in the last minute of the game Tigers broke away to score the winning goal.

**ROUND 8 - 26/5/07**

**U11/3**

**DOONSIDE 0 V OAKVILLE 1**

If I had any hair left I would have pulled it out in this game. The most frustrating game of the season. Every single player played well we just couldn't get the ball into the net. Oakville's goalkeeper was outstanding and made our job very difficult. We totally dominated play and took numerous shots at goals. Although it didn't show it on the scoreboard we won that game in every way except in points. Keep your chins up next week is another game.

**ROUND 9 - 02/06/07**

**U11/3**

**DOONSIDE 3 V PARKLEA 0**

After last week's result I decided to try a few changes with positions. The fullbacks including Liam and James moved to the forwards and what do you know.... Liam scores two outstanding goals including one that hit the post and James cleaned one up after the goal keeper missed a shot from Liam to score the third goal. The boys were ecstatic as we have been so very close to winning in most of games. It was great to see the boys come off the field with smiles from ear to ear. (especially Liam). Looking forward to the next few weeks as the boys will now have some new found confidence.

## **Round 1 - 31/3/07**

**U13/2**

## **Doonside 2 Vs Prospect 3**

Welcome back to our returning players and welcome to the 5 new players who have joined us this year.

Not quite the result we were looking for first up but despite the scoreboard we totally out played the opposition. Although scoring 3 goals, we also had enough opportunities to score another 3 or 4 more. A couple of contentious calls and some lapses in defence cost us at the other end. However a lot of positives to be taken from the game with the 5 new players we have this year showing good signs of settling into the team. Dylan Thornton in particular had a great first up game with the team. Keep going boys and work hard at training and it will be another great season.

---

## **Round 2 - 14/4/07**

**U13/2**

## **Doonside 2 Vs Kings Langley 2**

A very competitive game where we had some great opportunities to both win and lose the game. The opposition placed a lot of players behind the ball in midfield and defence making it hard to get to their goal and they managed to take the lead with a couple of break away runs from their speedy striker. But our team showed some great courage in equalising with 5 minutes to go and then peppered their goal with Andrew hitting the post and Anthony and Shayne making their Goal keeper make some great saves. At the other end, our keeper Nathan made a great save to keep us in the game.

---

## **Round 3 - 21/4/07**

**U13/2**

## **Doonside 1 v Plumpton Oakhurst 0**

Today we played one of the top teams in the competition and although they piled on the pressure at our goal in the first half, our defence stood firm despite Luke being on the injured list. Some great defensive displays from Derrin, Ryan and Michael allowed us to be level at half time. The second half was much more even with us scoring early in the second half and nearly doubling the lead on a number of occasions. This game proves that we have the potential to beat everyone in this competition when we play for each other.

---

## **Round 4 - 28/4/07**

**U13/2**

## **Doonside 3 v Quakers Hill 4**

A game where we should have scored 4 or 5 more goals and won comfortably but just could not finish because we didn't quite play as a team. Some lack of concentration allowed them to score some easy goals to give them this win. We know we can play much better than this although there were some good performances from the new players with Jacob's persistence leading him to score his first ever goal. Hannad also chased extremely well in the centre of mid-field winning some good challenges.

---

## **Round 5 - 5/5/07**

**U13/2**

## **Doonside 1 v Glenwood 3**

A replay of the 12 div 3 grand final from last year this was a great game. In the first half we scored by far the best goal of the season with a great ball played from the backs, through midfield to Baris on the right wing who played a great cross to our left winger Andrew who smashed the shot low and hard into the bottom left hand corner. We dominated possession in the entire first half passing extremely well and only for some great saves by their keeper, who was by far their best player, was the score still 1-0 just before half time. A couple of defensive lapses allowed them back into the game and a few injuries to our players in the second half meant we could not quite get the goal we were looking for to finish the game with a win. This game was a great example of the potential you boys have when you play as a team and that there is no team in this competition we can't beat if we put our minds to it. Well done boys.

---

## **Round 6 - 12/5/07**

**U13/2**

## **Doonside 0 v Prospect 1**

An unlucky result today with one error from a corner costing us the points in this game. We created a lot more opportunities than the opposition but just lacked the right team work in the final goal third to get the goals. We showed our passing game in glimpses and when we did the opposition had trouble catching us, having to deliberately hand-ball a couple of times to stop Baris' runs down the right hand side. Dylan and Jacob both just missed tough opportunities to score after great runs. Keep working on the teamwork boys and the results will come.

---

## **Round 7 - 19/5/07**

**U13/2**

## **Doonside 3 v Kings Langley 3**

A good first half performance had us leading 3-1 at the break with good goals from Nick, Shayne and Anthony and being much the better side. Unfortunately we didn't play as well in the second half allowing them to score two goals in the second half. Their third goal sparked us back into action with Nick in particular leading the line extremely well with Shayne. A couple of shots when a pass was a better option was the difference between the win and the draw in this game but the signs are there that when we concentrate and play our game, we will get the points. Keep up the hard work boys.

Welcome all to Doonside Hawks. For many of you this is your first year playing competitive soccer or at Doonside so hopefully you will enjoy your season and have fun. For the two that have played at the Hawks previously, welcome back. Fun is the number one priority for the season and I am sure we will learn some new things and make some new friends along the way.

## Round 1 - 1/4/07

### U14 Girls

### Quakers Hill 7 v Doonside 3

We started the season against a side who have been together for a couple of seasons and after being down 3 goals early, we fought back to be 3 -1 at half time. We started the second half a bit tentatively once again losing 3 early goals before working hard and "winning" the last 15 minutes of the game 2-1. The game showed that despite many of our players not having played before we can be competitive against teams that have been together for a year or two. The game highlights were some great passing between the team which had the opposition chasing "shadows" and two great goals from Joanna and one from Michelle Soriano. The lowlight was an injury to Melissa who was forced to go to hospital for X-rays. Great to see you are alright Mel. Keep up the good work team.

---

## Round 2 - 15/4/07

### U14 Girls

### Doonside 0 v Kings Langley 0

Today's game was a really hot day and with no reserves to help us out, we really felt the heat particularly in the second half. We started well and passed the ball around which made it difficult for the opposition. Throughout the entire game our defence worked well with Michelle Aquilina and Erin starting to form a solid combination which meant our goalkeepers hardly had to touch the ball. In the second half we had a few chances to score but were thwarted by the Kings Langley team playing almost all their players in the middle of the field in their own half. Great game today by Kayla who played a roving game all over the field and Madison who is starting to develop a good combination with Kayla on the left side. A good effort where we didn't quite get the win we deserved. Keep up with the hard work at training and our first win will not be far away.

---

## Round 3 - 22/4/07

### U14 Girls

### Glenwood 15 v Doonside 0

As can be seen by the scoreline we came up against a much better opposition today with this side being runner's up in last years U/14 Girls competition. Despite the score line, we kept them scoreless for almost the first 15 minutes. Although we got a little frustrated at no free kicks during the entire game (although there should have been some), we need to focus on what we can control, play our game and chase the ball. Despite the score line there were some positives to come out of the game particularly how Paige and Melissa chased the ball and did not take a backward step. Paige's runs from the wing were also good to see. Andi was very good in goal in the first half making some great saves and being very determined in defence in the second half. Heads up Girls, we are improving each week and will be better against them next time.

---

## Round 5 - 06/05/07

### U14 Girls

### Doonside 1 v Prospect 5

After a slow start where the opposition got 4 first half goals we really started to play well. We chased the opposition when they had the ball, passed well when we had the ball and showed a big improvement on our last game. Michelle Soriano added to her goal tally with a good goal that meant that the second half score was 1-1. Great games in mid-field by Caitlin and Shanelle particularly in the second half kept Prospect from having too much space to pass the Ball. Shanelle also made some great forward runs and was well supported by Charlene in the forwards. Well done girls this result was against a side who played together last year.

## Round 6 - 13/5/07

### U14 Girls

### Doonside 0 v Quakers Hill 3

**WHAT A PERFORMANCE.** This Quakers side is a mixture of girls who played rep last year and won the U/12 competition last year. Although they beat us we competed with them in every aspect of the game and we were unlucky that they scored the goals they did. Great games were had by all players but particularly Andi in Goal, Paige who chased everything tirelessly on the wing and Joanna who held both midfield and defence very tightly when asked play in these positions. We were a little unlucky not to have scored a goal or two as well. This type of performance is what happens when you train as hard as you girls are. Well done we are so close to our first win.

Round 7 - 20/5/07

U14 Girls

Doonside 6 v Kings Langley 0

## WHAT AN AWESOME PERFORMANCE

**OUR FIRST EVER WIN** and this performance was every bit as good as the week before with brilliant passing from the backs right through to the forwards. Big congratulations to Melissa, Erin, Paige and Shanelle who scored their first ever goals in competition with Shanelle scoring 2. All the goals were set up from great work from our sensational midfield. Great game also from Agnes and our new recruit Katie Giblin who played a very safe game in defence. Every player played their part in this fantastic win and even more important, it was a fantastic performance. This is the start of the results for all the hard work you have put in. I am so proud of all you ladies. WELL DONE.

## V8 Supercar driver former Hawk!

---

Surfing the net the other day I came across an article about a local Doonside boy, Mark Winterbottom who has become a very successful V8 Supercar Driver. It turns out (as the extract of the article shows below) that he grew up playing soccer for our club.

*"Orrcon's Mark Winterbottom grew up within a 'stone's throw' of the Eastern Creek Raceway in the Sydney suburb of Doonside. He started his motorsport career in the early 90's in karting and spent many weekends at the nearby Karting Raceway before making his debut in a V8 Supercar on the Eastern Creek circuit in 2003 while contesting the V8 Development Series. As a second generation racer motorsport is in Winterbottom's blood. However, his career could have taken a very different path and he could very well have been lining up for the Socceroos instead of the Orrcon-backed Ford Performance Racing team if things had fallen differently. As a schoolboy Winterbottom's other love was always soccer. He is an avid soccer fan and played his soccer for his local club, the **Doonside Hawks** and also represented New South Wales in a junior representative team".*

Mark played for our club from a 5/6 year old in 1986 until 1992 when he was chosen for a representative team. Goes to show that whatever your dream is, it's achievable. I wonder how many more budding superstars we have out there!

**Round 7 - 19/5/07**

**U9/3**

**Doonside 0 v Minchinbury 4**

While it wasn't our best performance of the season. Minchinbury taught us how important a never say die attitude and playing as a team really is. We didn't play that badly but Minchinbury made us pay every time we were out of position or not marking up. In attack we needed to talk more and support each other. Congratulations to our player of the match Nicolas Rios who took the ball up the field well. Good luck next week against Quakers Hill.

**Round 8 - 26/5/07**

**U9/3**

**Doonside 0 v Quakers Hill 0**

Although we didn't get the win there was lots of improvement. Our defence and goalies get special mention for a great game. We had a slow start playing like we did the week before. Once we started playing in our positions, supporting each other and passing the ball we were unlucky not to score. Congratulations to Jayden our player of the match who worked hard in defence and put a couple of great kicks through. Big effort guys and good luck next week against the Tigers.

**Round 9 - 02/06/07**

**U9/3**

**Doonside 1 V Quakers Hill Tigers 1**

This was a great game to watch. We were unlucky not to come away with the win after leading for most of the game. We worked really hard everyone gave everything they had. Austin made the save of the season in goals. We were really unlucky not to have scored more goals. Congratulations to Lachlan K our player of the week who did everything that was asked of him. Bring on Lourdes next week.
