All Washed Out!!

Well what a month we had in June! Sydney had the wettest June since 1950 and the second wettest June on record. Although we really needed the rain, we had plenty of players out there just itching to get back on the park. Well done to all those Mum's and Dad's out there who survived the four week break! Now we're back, and let's hope we can get through the remainder of the season uninterrupted. The newsletter this edition is a little smaller than usual due to the lack of match play over the last month.

"Crunchy Ice Cream" is real ice cream that has been put through a special process called freeze drying, so another way to refer to it is "**Freeze Dried Ice Cream**". This miraculous little treat is sold as a **solid block** which has a texture similar to the honeycomb inside of a Violet Crumble - Mmmm, Crunchy! And when you bite into it the ice cream instantly **melts in your mouth** to reveal the original luscious creamy flavours. **Curious?** Most people are when they hear about an ice cream that **doesn't need** to be put in the **freezer!** If you would like to try this yummy treat we will be selling the ice cream at Glendenning Reserve all this weekend for \$3.00 per box.

Polo Shirts - FOR SALE

Round 10 - 7/7/07

U7 Whales

Doonside v Glenwood

"What a great game! It was good to see all the boys having fun this week as a team. This week our goal keepers were Mitchell Hughes and Ethan Behlevanas, who both gave it their best while defending the goal area. Ethan won our Encouragement Award this week and Jayden Davies received player of the match for this round. A great effort by both boys. There was a lot of energy to burn this week after not playing for a while and that could be seen via some great passing and tackling from the rest of the team. Thank you to all the family and friends for their continued support of the boys."

Round 14 - 14/7/07

U7 Whales

Doonside v Kings Langley

"What a great game. Well done boys! This week our goal keepers were Benjamin Dalkeith and Zain Hassan - good job defending guys. Jayden Davies received this week's Encouragement award and Connor McColl received player of the match this round, a fantastic effort by both boys. You can tell the boys have been practising their tackling and especially their passing. Ethan Behlevanas, Mitchell Hughes and Jahi Pritchard all put in a great effort this week also. Great team work!"

ROUND 10 – 7/7/07

U11/3

DOONSIDE 2 V ST PATS 4

After four weeks with no games we played the competition leaders. We were 2-1 up after the first half, Liam scored another great goal this week and Shane scored a terrific goal straight into the back of the net off a penalty. In the second half we were lacking in numbers and had to call upon some players from U9/3 to help us out. Thanks to Lochlan Camilleri and Cameron Khan for helping us out, you both did a great job. In the second half the St Pats fought back to take the win. Despite the loss I was very happy with the game the boys played well as always.

ROUND 14 – 14/7/07

U11/3

DOONSIDE 0 V QHILL TIGERS 2

Another week and another tough game this time the 2nd team in the table. Another gutsy effort by Alex as always. Joshua Kennedy had a terrific game in goals, anywhere I put Josh he always put's in 100%. Onur had a great game in Midfield. Despite some decisions from the referee going against us we played another great game. Another big weekend coming up and I think we are due for a win.

Round 10 - 8/7/07

U10 Girls DOONSIDE HAWKS (0) VS PLUMPTON (11)

Welcome back girls!. Fantastic save by Georgia in the first 30 seconds. Great defence by Melanie, with another great save by Georgia well done. Nice defending by headband Jess excellent work. Good try by Tahlia very close to getting a goal in. Emily A having a great game attacking and defending throughout the field. Nice ball control Abby some fantastic footwork. Superb effort by Rhiannon and Shannon, on passing the ball and making their way up the field. Brilliant game Emily A have seen you all over the field today. All had a very good game; everyone worked hard at first game back irrespective of the final score. Woman of the Match was Emily A. congratulations

Round 14 - 15/7/07

U10 Girls DOONSIDE HAWKS (0) VS QUAKERS HILL (3)

Great start to the game excellent save by Georgia (goal keeper). Fantastic attack and defence by Tayla to get the ball from the back up the side. Tahlia went head to head and stole the ball from the opposition, great attack!!! Quakers got a break thru the backs and took Georgia on, bad move on their part, Georgia saved it and Ashlee cleaned the ball up, great teamwork girls. I do not know what happened to Shannon this week, but she has a fire burning in her today and she wants that ball and let me tell you she is getting it, attacking them at every turn. Mel and Tahlia are playing a brilliant game up the front passing the ball to each other. Tayla attacked them from a throw in at the back took it half-way up the field she then passed it to Mel and Mel took the ball the rest of the way, excellent attempt and fantastic teamwork girls. Ashlee is coming to them in the back and getting the ball out of there, great defence Ashlee. The girls played a brilliant, fantastic, excellent and spectacular game the best I have seen to date, holding them to 1-0 at half time and as far as I am concerned they won that game. Fran and I are so proud of the effort all the girls put into the game and we hope they keep it up in the future. Woman of the Match went to Shannon playing a brilliant game up front. It's all starting to come together - watch this space, our first win is just around the corner.

Round 8 - 31/05/07

U14 Girls Plumpton Oakhurst 3 Vs Doonside Hawks 2

This was our first ever night game which despite the cold was enjoyed by the players who turned in another Fantastic performance. Despite this we narrowly went down although we certainly were not outplayed and were unlucky not to have snatched a draw at the death. Joanna's shot from distance went over the line but unfortunately the referee was not sure and did not rule anything. The main difference was the opposition striker who was very skilful and fast scoring all of their goals her aside we were the better side. However on the positives we passed the ball well, played with some good width for the first time and caused their goalkeeper to work very hard. Kayla scored her first goal of the season for the team and another goal from Melissa gave us a first half lead. Caitlin had a great game in midfield and Plumpton where constantly worried by Shanelle's rampaging runs. Kris also had a good game at right back in her first competition game for us. Keep up the great work girls.

Round 9 - 3/6/07

U14 Girls Doonside 5 Vs Prospect (Matilda's) 0

Another mighty win for the Girls of Doonside Hawks. Although backing up from Thursday night seemed to effect us as we did not play as well as our previous few, it is another example of the massive improvement in this team that we could still comfortably beat our opposition. As we had no reserves, Jade and Emma from the U12 team came up to help us and did a great job fitting into the team well. Erin had a great game in midfield with Michelle Aquilina scoring her first ever competitive goal when going up front from her usual defensive position. Andi, who had nothing to do in the first half in goals came onto the field in the second half and had a blockbusting game almost scoring a goal herself. Thanks to the U/12's for the help and well done to the team.

Round 14 - 15/7/07

U14 Girls Prospect (Matilda's) 0 Vs Doonside 1

Our first comp game after the rain delay showed we were a bit rusty. Although we dominated the game, we didn't hold position or pass as well as we have although we were without a number of players. Caitlin ran the midfield very well with some great forward runs and helping defence out when needed. In the second half when Erin went into midfield she constantly created chances for the forwards with some great runs and passing. Your best game of the season so far Erin. Keep up the good work ladies and keep working on passing and position and we will continue to have success. Well done.

Match Reports

Round 7 - 19/5/07

U10/1

Doonside 2 v QHill Tigers 1

The great escape today, we came out slow but still created some good chances that we didn't take, and soon we found ourselves behind. Second half we started to play a bit of soccer in patches and eventually scored 2 goals in the last five minutes of play, to come away with a win. Goals: Jayden Xuereb. Player of Match: Berkut Tastan

Round 8 - 26/5/07

U10/1

Doonside 0 v Eastern Creek 1

Top of the table clash today against Eastern Creek. Although we lost our first game of the season I was proud of the way we played. We were unlucky not to win this game. I thought our full backs defended well, mid fielders ran and tackled hard and our strikers caused havoc all day. Good game boys we are now playing good soccer. Player of the match: Jordan Maher

Round 9 - 02/06/07

U10/1

Doonside 3 v Prospect 1

What a game. We came today and from the start there was excellent soccer and that carried on to the final whistle. Brad had an excellent game in goals. Full backs, Jordan, Joshua B, Connor, Chris and Berkut all done a top job. At the back, Jarrad, Ben, Matt, Kyle and Dylan outplayed the midfield and Jayden, Joshua and Ryan proved to hot to handle up front. Mr Versatile "Jason" had a great game in a new position. Excellent game boys, very proud of the soccer you played today. Goals: Jayden 1, Jarrod 1 & Kyle 1, Player of the match: Kyle Wright.

Round 10 - 07/07/07

U10/1

Doonside 9 v Lourdes 0

First game back the boys started well with a few good passes and we scored not long afterwards. Then we took control with some good tackling and ball movement and went to halftime 5-0 up. Second half was the same and if not for their goal keeper could have been a lot more, in the end it was a good result. 9-0 everyone played well. Congrats to our goalkeeper Brad who scored his first goal from a penalty.

Goals scored - Jayden - 3, Kyle - 2, Jarrad - 1, Joshua Singh - 1, Ryan - 1, Brad - 1.

Man of the Match - Jarrad, Best and Fairest - Brad.

Round 14 - 14/7/07

U10/1

Doonside 1 v Parklea 2

What a game. These two teams have had some hard games in the last two years and this was another one. Both teams tackled hard and attacked each other right to the end. After going down 1-0 at halftime, the boys came out and tackled and ran hard. We drew level and then tried to take control and were unlucky not to score again. Unfortunately Parklea scored with the last kick of the game as we lost for only the second time this year. Chin up boys, a long way to go yet. We know what we have to do. Good game boys.

Goals - Jayden -1, Man of the Match - Jayden, Best and Fairest - Chris.

Match Reports

Round 10 - 07/07/07

U12/1

Doonside 4 v Glenwood 0

Well, after a long rest from soccer and proper training, the questions asked were; Will not playing or no training take it's toll on the boys? Will they still communicate with each other? How are their shots? Well, those were answered in one word, yes. The goals started coming after Daniel M put in a curve ball from a corner kick, and then Jackson put in a second after many attempts. The opposition ball hardly reached our side of the field, thanks Thomas, Jordan K , Corey, James and Tim Equally the boys at the front and midfield like Cameron, Jordan W, Daniel, Predrag, Jordan N and Jayden. The third goal came after Jackson again through follow-ups and persistence just booted in a ball that was lost by the goalkeeper. The last goal was booted by Jordan N, after following up a kick by Tim which was saved and lost by their goalkeeper.

With this bunch of boys in front of him, All doing extremely well, Josh was so relieved and happy to have passed a game without any point scored against him. Neal has summed it up in one word. Defence. Have a good defence and everything will follow through. The MVP went to Thomas.

Round 14 - 14/7/07

U12/1

Doonside 2 v QHill Tigers 1

The boys started off well with great skill by all, we deserved an early goal and were rewarded with one to Jayden compliments of a great cross by Cameron. Unfortunately the Quakers kids got one back a couple of minutes later. The boys knocked the ball around well and were able to hit back straight away with a goal by Cameron. Pedge and Daniel Manning were solid in the middle of the park, while Corey, Jordan Kahn, Jordan Nathan and Tom were strong in defence.

Jackson once again was solid up front using his great speed to put pressure on the Quakers defence. On the left we had Jordy Waters again causing all sorts of problems for the opposition. James and Jayden had strong games going forward all day. Little Daniel played well before succumbing to an injury which forced him to leave the field and Daniel Manning had a similar problem also forcing him to leave the play. As always Mr reliable himself Tim was safe as a bank in the backs. Tom had a few great clearance with his head assisted by the extra strong hold hair gel.

As for the keeper Josh didn't have much to do but when he did, he did it well and had no chance stopping the Quakers goal – Great saves all game Josh. Man of the match, no surprise went to Cameron, all in all another great and entertaining game and a good 2 -1 victory securing our spot at the top of the table. Last but not least, a great job by our coach – Keep up the tough training. Thanks Neil. Keep up the good work boys.

U17/1's (Maroon)

These lads have played the game with great skill and determination. We have retained 9 players from last year with 6 new members making up a squad of 15. We play a very controlled game which is a key factor to our success. At times we have lacked respect for our opposition and referee's which we need to address, but I'm sure this will improve as the season goes on. I'm very excited about the season so far but remain focused on what we can achieve providing we don't get ahead of ourselves. It's a privilege to coach such a talented team. Thanks must go to Brian Newton our Manager, he does a great job.

Round 10 - 7/7/07

U9/3

Doonside 2 v Lourdes 0

Well after a very long break we got back into the swing of things with a good win over Lourdes. Luke our player of the match played well scoring his first goal of the season. Dylan took the ball up well and also found the back of the net. Our defense was great Lourdes couldn't find the back of the net. Good luck next week against Minchinbury.

Round 14 - 14/7/07

U9/3

Doonside 6 v Minchinbury 1

After our shock lost to Minchinbury earlier in the season we were on fire. There was great teamwork with lots of passing and we were way too good for Minchinbury. Nicolas was on fire scoring 4 of the six goals. Josh and Beau also found the back of the net. Our defence which has been great all season was awesome our backs Lochlan C, Daniel, Austin, Jayden and Luke did a great job and Minchinbury were lucky they even got a goal. Congratulations to Aiden our player of the match who was always on the spot. Good luck next week against Quakers Hill.

Match Reports

Round 8 - 26/5/07

U13/2

Doonside 1 Vs Plumpton Oakhurst 3

we didn't quite get going as a team and got beaten by a team that played together. We lost early goals and although playing much better in the second half, didn't pass to the players that were free to score the goals we needed. A good goal in the second half by Anthony and some really solid chasing in midfield by Hannad were definitely the highlights. More teamwork will bring better results.

Round 9 - 2/6/07

U13/2

Quakers Hill 0 Vs Doonside 5

Today is the day when we started to get it together. The passing from the backs to the forwards was crisp and constantly found open players. The opposition could not get near the ball and the yellow cards showed their frustration. The defense was solid and well set with Ryan, Randy and Luke not giving the opposition attackers any room. Derryn went extremely well in defence and terrorised the opposition with his runs when he moved into midfield. Dylan tireless ran in midfield and Nick was unlucky not to have a hat trick hitting the post at the end after two good goal. Well done boys, this is how we play and we can beat anyone if we keep this up.

Round 10 - 7/7/07

U13/2

Doonside 0 Vs Glenwood 3

Unfortunately the score does not reflect how close this game was. We were rusty after the break, our passing game was way down and we struggled to create enough chances to score. But the defense and midfield held well and Glenwood also struggled to create chances. All of their goals came from shots outside 25 yards. Strong performances on the wing today by Michael and Randy again in defence was very good. Let's keep working hard and get back to where we were before the rain break and we can win this comp.

Round 14 - 14/7/07

U13/2

Doonside 2 Vs Quakers Hill 2

After an awful start where we conceded two quick goals due to a couple of defensive lapses, we fought back hard and showed glimpses of what we can do. The second half was all ours as we clawed the two goals back and continued to search for the winner right up to the final whistle. Nick scored two goals and continued to tear holes in the opposition defence. Baris also caused the defense constant problems and Jacob created a couple of chances that went close to securing a victory. We showed a lot of spirit to come back in this one. Let's build for the next couple of games and keep passing.
