## What's New for 2009

Welcome to the 2009 Season. What's new for our club in 2009?

This season you will notice that all team's are now wearing the new strip thanks to our club sponsor Bing Lee. The new strip looks great and it's fantastic to finally see all of our teams wearing the same jersey from Roo-ball through to All Age.

This year we have registered roughly the same amount of players as last year with a small increase. We also have a few extra teams this year. Due to Glendenning Reserve becoming a night field late last season after Council upgraded our lighting we now have two Over 35 teams that play

on Friday nights.

Last year we were selling the new Club Tracksuit or Jackets which were very popular and looked great. Tracksuits and Jackets are now available for order and we also have a few new items for sale including training shirts and polo shirts, see page 5 for photos and details.

We have had a few changes to the Committee this year, a few people changing positions and few new faces. So to

help you put a name to a face and understand the roles of the committee members, see pages 2-4. Best of luck to everyone for the rest of the season. Have fun out there and enjoy your sport!

## Match Reports

### U12/1

#### Round 1 Doonside 1 v Q/Hill 4

The game started with us holding Q/Hill out for the first 10 minutes until we started to fight back & resulting in us taking the lead with a move down the wing crossed into the centre with Ryan scoring a nice goal. But we stopped playing & Q/Hill scored 3 quick goals. In the end we lost 4-1 we have to play 4 the whole game not 10 mins goals - Ryan 1 man of the match Brad.

#### Round 2 Doonside 2 vs 7/Hills 8

Well what a game we came all over 7/hills & played some nice soccer for the first 20 mins & scored the first goal again but a lapse in our play let 7/hills off the hook & we found ourselves behind 3-1 at h/time. The less said about the second half the better we did not play soccer at all but we did score another. Goals Ryan 1, Jarrad 1 Man of the match Jason.

#### ROUND 3 Doonside 3 vs St Pats 1

Today's game the boys were out to put things right & were all over St Pats from the start playing some nice soccer, good passing, running & tackling resulting in a 1-0 htime lead. This time we came out and scored 2 more goals to put St Pats away & win the game in very bad weather. Well done boys season back on track. GOALS Joshua S 1, Jayden 1, Jason 1 Man of the Match Kyle.

## U7 Kookaburra's

### First Game

The U7's Kookaburra's had a good start to the season with a lot of spirit and enthusiasm. Being the first game, everyone was still finding their feet with a few tumbles, clashes and giggles they still triumphed in some great goals.

I would like to welcome all the players - Jake, Connor, Tristan, Jonathon, Joshua, Logan & Connor to Doonside Hawks. We have a range of players with some new to soccer and other returning Hawks but altogether, they are a new team who showed great teamwork and a lot of potential.

Congratulations to Tristan who was awarded the team player of the week. It was a hard choice because everyone played well and put in a huge effort. All should be proud of themselves. Good Luck.

### Third Game

A wet start to the game with light rain just starting as they blew the whistle however this didn't slow the U7 Kookaburra's.

We had only one reserve (no complaints from the players as this means more playing time) and a lot of enthusiasm. A strong start for the opposing side scoring first however the Hawks stood tall and never gave up. All players started to understand the importance of positioning and found they were covering the span of the field.

Jonathon played a strong forward and continued to fight for the ball and took a big run down the field and scored a goal. Tristan played defence and made some beautiful kicks forward which almost resulted in goals.

Everyone made valuable contributions, dominating the attacking in the second half with excellent defensive work also and were just unlucky to miss a few goals. I think the kids learnt the meaning of 'Don't kick across goals' but once again positive moves forward and well done.

## U10 Girls

### Round 1 Doonside 4 v QHill Tigers 0

First match of the season and the girls came out blazing. Tigers were down a few players for the first round but were still a very solid team. Our backline with Caitlin and Mikayla were very solid. Madeleine scored two great goals in the match using her lightning speed and Zoe our newcomer also scored two goals and showed great determination on the field. Great first game girls. Player of the match Zoe.

### Round 2 Doonside 3 v Parklea 1

This was the make up round being played on Wednesday night for the washed out round. The team played really well their experience showing against some newly formed teams. Jade was on fire and scored the teams three goals in the first half. The second half saw Parklea lift and we scrambled in defence to keep them out. Good second half in goals by Telleah. Player of the Match Jade.

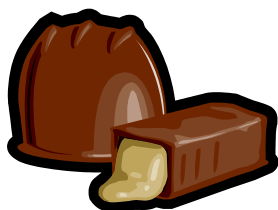

### Round 3 Doonside 2 v Riverstone 0

Another good match by the girls. A close game with Riverstone. Alicia almost scored her first goal, so close Alicia. Madeleine scored a goal going through the keepers legs and Jade scored a great goal also. Deannae had a great game in the mids and Jadeine also had some great attacking play. Ellen was great once again in goals and was the player of the match.

## U17/1

### Round 1

#### Doonside 7 v Town Rangers 1

Welcome to our new players & parents. Aymen, Dennis, Jacob, Mohammed & Nathan. It's a good start to the season with that score line but should have been a lot more goals scored.

1st Half - We played like a team pushing the ball around looking for players in open space.

2nd Half - We seemed to go to

sleep and started to play their game. We have to focus on the whole game guys to have a good season. Goal scorers - Rushy 2, and one each to Dennis, Greg, Bobby, Brent and Nathan.

### Round 1

#### Doonside 6 v Premier 0

WOW what a start to the season, a 6-0 victory. The boys are working well together as a team. The defence was awesome and passing the ball was brilliant. Jaffa the coach said " We can only get better from here" well done boys Keep up the good work.

U9/1 Manager

## U6 Magpies

### Round 1 v QHill Tigers

What a learning curve – who would have thought under 6 soccer was so competitive!

We had a starting side of six, Jayden, Brannen, Julius, Max, Jason & Abby. Two 'experienced' players and four who are new to the game.

Our players had fun today, really enjoying themselves. Julius was in amongst all the plays. It was a good result for their first match. The player of the week award was presented to Julius Godinez.

### Round 2 v Quakers Hill

Our first home game. Julius, Max, Jayden & Brannen backed up from the day before for this round 2 make up game. Our players are starting to call and raise their arm for the ball. Jayden made some great tackles. All players scored today – not always at the right end, but the excitement was still the same. Congratulations to Jayden Da Silva – our player of the week.

**U6 Magpie's**

**Round 3 v Eastern Ck**

It was great for the team to play again after the rain out and Easter break. Brannen, Julius, Max, Abby & Jayden were all excited to be out on the grass. This game was only their second and the kids are starting to work together as a team – it was great to see sportsmanship among young players.

**U9/3**

**Round 1- 28/3/09**

**Doonside 0 v Newbury Bulls 5**

Welcome back to all the boys who played last year and welcome to the boys who this is their first year with Doonside Hawks. For our first official game of the season all the boys put in a great effort considering this was the second time playing on a larger field and playing as a team. The morning was warm and by the end of it they were all exhausted. The Newbury Bulls had a number of skilful players which kept our boys on their toes. The first half saw 2 goals being scored and 3 in the second half. All the boys have the ability to do well in the future they just need to get settled in their positions on the field, work on their passing and attack as a team. Over the next few weeks I am sure we will see the boys coming together and producing some exciting games of soccer. Justin received the Player of the Match this week with his great effort in defence.

**U9/3**

**Round 3 18/4/09**

**Doonside 1 v Glenwood Redbacks 1**

This weekend's match found both teams evenly matched in skill level. The boys played well, there was a lot more passing the ball and the boys held their positions better. This was Damon's first game this year, it didn't take long for him to find his feet and he scored a fantastic goal in the first half. Rajbir played forward this week, he held his position well and supported his fellow forwards with some great passes. His effort saw him receiving the Player of the Match award. Great effort boys! Blake, Cayne and Zachary showed good solid defence as fullbacks this game. Our second half goalie this game was Connor he made some great saves and is producing some strong kicks. Well done boys!

**Round 2- 19/4/09**

**Doonside 3 v Quakers Hill 0**

Another exciting game was played by all the boys today. Shivesh, Jacob and Krishneel played a strong game, Shivesh showed great goal kicks while Jacob and Krishneel had strong passes. Our goalie in the second half was Benjamin. A great effort by Benjamin to prevent goals being scored. He also showed great strength when he played on the wing. Other strong performances this game was by Jayden, who showed great control on the field and Liam, both boys never stopped all game. There were some great moments of play by the boys, playing as a team and supporting each other which saw our three goals being scored by Mitchell. The highlight was the goal scored by Mitchell just down from the corner. He made the kick, it rebounded back, he kicked again and it went up, curved around into the goal. Mitchell's effort saw him receive Player of the Match. It's good to see all the boys enjoying their soccer.

**Premis/Reserves**

**Round 1**

**Doonside V Oakville at Glendenning**

The squad commenced training late last year. It has been a long pre-season and the boys have been working hard at every session. The lads have performed well during the trials, with some positive results. Now for the start of the season proper.

**Reserves 2-0**

The first home game and the lads were looking forward to it. Due to an unexpected keeper shortage, Pommie had to stand between the sticks. Oakville really put the boys under pressure throughout the first half, but never really threatened out goal. After about half an hour the boys settled in and started to play soccer. The score was 0-0 at half time. 2<sup>nd</sup> half was a different story... The lads got there game together and Oakville never looked like getting there. Goals by Jaffa and Paul Barnes saw the game swing our way. Final result 2-0

**Premis 2-1**

We were missing Jon Bright today, so a reshuffle of our starting line-up saw Dave Farrell come into the team. The boys started scratchy and dropped a ton of possession through the middle. Oakville has a few dangerous players and was threatening our goal with a lot of one out runs. But with a corner, Putto ran a great angle through traffic to volley and put us in front for half time. Second half our possession didn't improve and kept Oakville in the match. Pete put a nice ball through for

Jordan, who chipped the keeper and put it in the back of the net from an acute angle. Nice goal. Oakville kept up the pressure and brought the score back to 2-1. They continued to go forward and pressure our goal, with a couple of opportunities that they should of converted, but time beat Oakville today. Final score 2-1

On behalf of the squad I would like to thank the club and supporters for the support today. We had a great crowd down at Glendenning and I'm sure this helped the boys through a nervous start to the season.

**Round 2**

**Doonside V Parklea at Glendenning**

**Reserves Friday Night Match 0-1**

Parklea are a young squad and we knew it was going to be a difficult match. The boys were under the pump from the start and were having trouble settling in. John Brillo had to play both games tonight and was proving his worth with a few nice saves. The first half was all Parklea but the lads boxed on and battled for possession. Half time 0-0 again. Second half, after a little soul searching in the sheds, the lads started much stronger, holding possession, winning 50-50 challenges and genuinely threatening the Parklea goal. But in an unfortunate break of play, Parklea put themselves up with a goal against the run of play. This took the wind out of the boy's sails and lost some momentum. That's how the game stayed. Final score 0-1

## Prens/Reserves

### Prens Friday Night Match 2-1

With Parklea regarded as one of the top 2 in the Prens Comp, the lads brought their A game tonight. From the kick off saw Doonside threatening their goal with an early shot. The possession and movement off the ball was fantastic. Half time 0-0. Second half started the same as the first. The game was anyone's until Jordan was awarded a penalty. He converted to put us up 1-0. Parklea came back at us with a few chances and put one in to level the score 1-1. With the effort by both teams, this would have been a fitting result, but we didn't count on Scott Jackson. He's pumped a ball through traffic, outside the box to beat the keeper and put us in front. The boys managed to hold Parklea out for the final minutes to take all the points. Final result 2-1

### Round 3 Doonside V Polonia

#### Reserves 4-2

Wind, rain and long grass is not conducive to pretty football. The boys needed the win to get their season back on track. It was a slow match on a slow track. The boys were trying their best to increase the tempo, but were lacking the width to stretch Polonia's defence. Neither side were really threatening, and once again, the Reserves went into half time 0-0. Second half went our way. A lot more movement saw us knock 2 in quick succession, via Jaffa and Paul Barnes. Polonia put on a bunch of Prens to stem the flow, but it was too late... The scoring alternated each end to finish 4-2. The last 2 goals were scored by Jaffa and Jarryd Saaghy. This was a sound effort in the end, which places the boys in 3<sup>rd</sup> position on the ladder. Good job lads.

#### Prens 1-0

The weather hadn't improved... The lads looked tired and a little complacent. They were doing more work than

the ball and tired quickly. This just let Polonia into the match. 0-0 at half time. Second half we changed a few things around and Jordan broke the deadlock from the side line in what can only be described as a cross. Every game needs a little luck. We were reduced to 10 men with Johnny Epselis getting an early mark for 2 yellows. With John Bright playing a lone striker for most of the half the boys handled the situation well. The majority of the ball was our and we managed a scrappy win. Well done lads.

We have an opportunity to stand alone on top of the ladder next week, with a home game against co-leaders, Seven Hills. I hope to see you all there supporting the boys. On behalf of all the players, we appreciate the support we have already received.

## U14/2

### Round 1, 28/3/09 Doonside 1 v Workers 2

#### First half

Defence strong in the first half. A good save made early by Shiva in goals, a one-on-one which he put over the bar. Our forwards were having a hard time with Workers defence but the boys kept trying. Pedrag and Kasem kept Workers on their toes with Josh and TJ pushing the ball across to them and backing up James. Thomas, Adam and Pat worked hard across the back as pressure was put on them.

#### Second half

Adam moved to keeper for second half. An early goal to Doonside. TJ took short free kick to Adrian who drilled the ball into the net. Great double save by Adam in goals. Soon after, Workers had a shot from just inside the 18 yard area scoring the equaliser 1-1 with 20 minutes to go. With 10 minutes to go sloppy defence in the box gave Workers the winning goal making it 2-1 down. Still a little bit of work to do but a great first up effort.

**Man of the Match: Pedrag**

## U14/2

### Round 3, 18/4/09 Doonside 1 v Plumpton/Oakhurst 4

This was a game that got away from us. We had plenty of chances, and our build up was good but more often than not our shots went straight to the keeper or hit the post, it just wasn't our day. A goal in the second half by Alex, a nice shot over the keepers head, was on of the high points.

The boys showed good control at times but squandered too much possession too easily which cost us the game. Not our best game but the boys showed they have plenty of potential and I look forward to seeing how they progress over the next couple of weeks.

**Man of the Match: Alex**

### Round 2, 19/4/09 Doonside 4 v Lourdes 1

#### **First half**

We had the better of the attacking chances in the first half. An early shot from Pedro hit the bar and dropped back into play, Josh did well to get to the ball but just couldn't control the shot which went wide of the mark. TJ scored soon after following good lead up work from Ahmed. Unfortunately at the 15 minute mark we lost Ahmed for the rest of the game due to injury. The boys were kept busy defending and attacking when Pedro broke through to score our second goal. Pedro scored his second goal soon after, after some good lead up work from Adam. Doony 3-0 at half time.

#### **Second half**

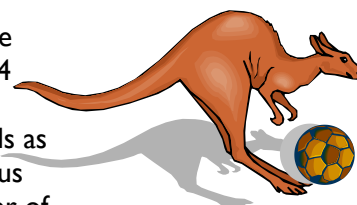

The second half started the way the first half ended but after about 10 minutes the boys were under a bit of pressure and the game had evened up. After good build up from the midfield Pedro scored again for his third goal to put us up 4-0. The boys were now starting to tire without a fresh reserve and Shiva saved some good shots on goal, but unfortunately one goal got in. The rest of the half saw the ball move from end to end without either team dominating.

**Man of the Match: Adrian**

## U8 Kangaroo's

### Sat 28 March vs QHill Tigers

We took to the field a player down so QHT were nice enough to agree to play 6 v 6 – our girls played a very hard game with no breaks while the Tigers were lucky enough to have 4 subs and therefore very fresh legs! Natalia played a brilliant half in goals as did Cheyanne but Tayla's continuous assault on the ball earned her Player of the Match. The girls can be very proud of their effort with many of the parents from the opposition making a point of coming over to tell them how impressed they were with our team!

### Sat 18 April vs Quakers Hill Junior

Again we started short but were lucky enough to borrow a player – the girls played a great game today and not only scored a couple of good goals but managed to stop the other team from scoring too many. Tayla & Alicia both played very well in goals and were supported by Natalia who was able to stop the run of play on many occasions. Bianca was a late starter to the match but managed to get her bright white boots dirty with a few good kicks. The girls make it very difficult to choose a Player of the Match – this week it goes to Alicia.

### Sun 19 April vs Seven Hills

Yippee a full team! But.... Seven Hills are short so we offer them a player – thank you to Cheyanne and Natalia for volunteering to help Seven Hills. Today we came across a very good team who really knew what they were doing and kept the girls on the go the whole match. Natarsha and Cheyanne both received a Baptism of Fire in goals but both held their heads high and so they should. Neither the skill of the opposition nor the rain dampened the girls spirits and they gave their all right to the end – well done. Player of the Match goes to Natarsha.

**“Remember to Support our Sponsors as they support our club, see our preferred services directory on the back page”**

## U12/1 Girls

**Sunday 29/3/09**

### **Rooty Hill 1 vs Doonside 0**

The girls were very unlucky today and with an ounce of luck could have won the game. Jess E made an outstanding save pushing the ball over the top of goals in the first half when a RH player shot from the 6 yard line and Tayla was unlucky not to score after she broke away from the defence early in the second half. Rooty Hills goal came from a corner midway through the second half - our girls had several chances to clear the ball but it eventually trickled in. Most of the girls played hard today but a few seemed 'off their game' – will be good to see what we can do when we are all firing. Player of the Match – Jessica Eid

**Wed 15/4/09**

### **Doonside 0 vs Glenwood 3**

The girls started slowly and were soon down 3 nil with the goals coming very early in the first half. The second half was a different ball game with all the girls getting much more involved and showing that they can match it with any team when they put in the effort. The end result did not reflect how close the game was for the most part, with both teams having the same amount of shots on goal – unfortunately Glenwood were able to convert their chances. Player of the Match – Emily Hawkes.

### **Quakers Hill 0 vs Doonside 0**

The girls were unlucky not to get their first win today. They had a few good chances to score but it just wasn't meant to be. Luckily, down the other end of the field Jess E made some brilliant saves which kept the game on an even keel. All the girls played well

today with Mel being the standout player and receiving Player of the Match for her efforts. Keep up the good work girls – that win is just around the corner.

## U13/3

Welcome back everyone. After a successful season last year in division 4 winning the premiership we moved up this season to division 3 and hope to have another good year. Welcome to all the new players to the team, Jayce, Khalid, Martin G, & Mohammed and welcome back to Keinan who missed last season with us.

### **Round 1**

#### **Doonside 3 v Oakville 1**

Good game for the first game of the season. The team is still working out their structure and the passing and fluency of the play needs to be worked on. Great speed from Jayce to score in this game and goals also from Josh and Shane. Good way to start the season.

### **Round 2**

#### **Doonside 2 v Quakers Hill 0**

The weather in this game was far from predictable with sunshine one minute then pelting rain and wind the next. The game was a little scrappy with the conditions difficult. Many shots were had and missed. Eventually David scored a goal followed by Jayce to end the game at 2 nil up.

### **Round 3**

#### **Doonside 4 v QHill Tigers 1**

This game had moments of brilliance and also some slow and scrappy play. The team has to become more focused and determined. 2 Goals to David and 1 each to Mohammed & Jayce.

There were amazing calling and passing skills displayed between Thomas, Deklyn and Mitchell this week. Jessika is our little trouper who does not stop trying. Ryan and Cooper once again showed great tackling techniques. Putting all these things together and working as a team. Well Done!

### All Age Ladies 3

#### Round 1 - 29<sup>th</sup> March Doonside 5 v Oakville 1

Our first game of the season and it was a good start for us. We have a few new players to our team this year and they blended in well. The goals scored were by Alicia, Julie and Amanda with assists by B2 and Sam. Overall a good team effort backed up by our goalie Fran.

#### Round 2 – 18<sup>th</sup> April Doonside v Parklea

We won this game without even stepping on the field, as Parklea forfeited this game.

#### Round 3 – 19<sup>th</sup> April Doonside 1 v Quakers Hill 0

What a match, this was a pretty even match for the full 90 minutes with both sides having a few shots at goals. Great effort in goals with our stand in goalie Julie, who saved some good shots at goal. We had to endure the rain at times which made the game harder at times, we had B1 leave the field with a knee injury.

Great team effort again to kept them from scoring we defended well on the day. In the last minute of the game we had a throw in which made it's way up to Alicia who scored us the winning goal. Well done to all.

### U11/4

#### 28/3/2009 Round 1 Doonside 0 v Glenwood 3

Man of the Match - Gurdit

Good first game of the season. The boys tried their hardest and it was the first taste of playing together as a team....not too worry next time!

#### 19/4/2009 Round 2 Doonside 1 v Lourdes 2

Man of the Match - Rahil

The boys played well and we were not too certain how this game would go. It was really close. We were really proud of them all and they did their best. There was a few tired ones out there but it didn't stop them.

#### 18/4/2009 Round 3 Doonside 8 v Quakers Hill 2

Man of the Match - Guled

Brillant Game!! The boys passed to each and worked as a team. It was amazing to watch how well they did. Our Goalie earned his keep in this game as one particular player kept breaking through the lines. Excellent Boys job well done.
