Volume 3 - June 2009

Call to Arms 2009

Doonside Hawks Soccer Club has joined the Call to Arms 2009 Appeal to raise money and awareness for Men's Cancer on behalf of the Cancer Council.

On the Weekend of the 10th, 11th and 12th of July all our teams will be wearing a Yellow arm band in support of the appeal which can be collected from the Canteen.

We are aiming to raise \$1000. If you would like to make a donation, please visit our website and follow the link to sponsor the club and help

us towards our goal. We are also seeking donations of yellow socks for teams to wear on the fundraiser weekend. Parents and spectators can also get behind the cause by wearing yellow also.

Cash donations may also be made on the day, Cup cakes will also be on Sale.

Doonside Hawks Soccer Club is an official registered fundraiser for this event (copy of the official letter in the canteen).

"Our website is currently being upgraded and you will not be able to access it through your favourites, for the time being please use www.bdsfa.com and access us through the clubs list"

DOONSIDE HAWKS IS PROUDLY SPONSORED BY

BING LEE
Everything's Negotiable

Would you put up with this at work?

Do your job to the best of your ability and be verbally abused by the general public walking past your office?

Be criticised for everything you do wrong by those around you?

Be Verbally Abused by your customers and in some cases be Physically Threatened by them?

When you do have a great day at work no one even thanks you or appreciates it?

Would you stay in the job for long?

Welcome to the life of a Referee!!

And we wonder why Ref's don't come back!!

Think twice before you hurl abuse or yell at a ref – remember they say the best refs in the world are the ones sitting in the spectators stand – jump on the field, Ref a game and see what its like – its not as easy as you think!

Refs do not always see the Hand Ball, the Offside or the questionable tackle – as spectators we often see the game from a different angle than the ref and we have only 1 thing to do and that is watch the game, the ref has a lot more going on than you think.

Show some restraint when refs are on the field – let the game flow take the good with the bad and enjoy the game – forget the result, focussing on the result only makes you anxious!

Are you a child Abuser??

A tough question, confronting. Some would say shocking that we would even ask!

Answer these simple questions and see if you are!

Do you Hurl abuse at your child?	Yes/No
Do you Hurl abuse at other peoples children?	Yes/No
Do you call your child demeaning names? (idiot/moron/fool/blind/twit/stupid)	Yes/No
Do you call other peoples children demeaning names? (idiot/moron/fool/blind/twit/stupid)	Yes/No
Do you use Foul Language at Yours or others children?	Yes/No
Have you ever physically threatened a child?	Yes/No

No doubt you answered NO to all of the above which is great, you care for your child, protect your child and teach your child to be friendly and patient with others – so one last question to determine the answer as to whether you are a child abuser!!!

Do you turn up to a soccer game and do any of the above at a junior referee?

Many people don't realise that the actions outline above when carried out towards any child is Child Abuse. It may come as a surprise to many people that our Junior Refs are infact CHILDREN.

Think about it - Would you treat your child how some people treat a Junior Ref?

Please be mindful of your actions as a Spectator – Parent – Coach – Manager or Player when you go to say something. Lets try to change the trend and nurture our young refs so they become senior refs, they will make mistakes and yes in some cases the mistake will change the outcome of the game against you, they are doing their best and yes learning just like the players on the field.

We cannot expect a soccer player from day 1 to be a super star on the field and the same goes for our Refs – we can't expect them to be perfect refs from day 1.

Trivia Night

We held our annual Trivia Night on Saturday and although numbers were down on previous years those who attended had a fun night and we were able to raise just over \$1,000 to go towards our Presentation events at the end of season. Thanks to all those who attended to make the night a success and congratulations to the winners of our wonderful raffle prizes. There are some great photo's below and many more on our website. Special thanks to the following companies for their generous donations:

U9/4

Round 10 - 13th June
Doonside 2 v Plumpton 3

Finally the rain stopped and the boys were back on the field. Due to regrading of U9's we have been shifted from Division 3 to 4 and the Comp starts at zero.

The boys played a great game. They are definitely improving each week and should all be proud of this weeks game. Great team work saw Jayden scored our first goal in the first half and Mitchell score in the second half. Blake, Zachary and Liam were constantly producing some great tackles. Blake effort saw him receive Player of the Match this Round. Again Benjamins effort as first half goalie can not go unmentioned, he produced a of great save. While Justin has a always produces some great kicks from the back. Plumpton scored two quick goals early in the second half which found them back in the race, eventually scoring again to seal victory.

AAL/3

Round 10 - 14th June
Doonside 2 v Oakville 2

The rain finally held off to let us play against Oakville were we drew 2 all and broke our recent losing streak. Alicia played up front and scored an early goal followed by another brilliant one towards end of first half. It was evident we had the last 3 weeks off, but nothing some hard training sessions won't fix. Oakville had two fast forwards working with each other to get two in the back of the net. Sam Denmeade played a blinder of a game and never backed out of a tackle. Unfortunately we weren't able to score again before the whistle blew and the score stayed tied up. I would like to thank the female referee for being one of the most fair and pleasant refs we have had this season.

Round 11 - 21st June
Doonside 3 v Parklea 0

Amanda Harpers Facebook said it all "WE WON WE WON WE WON!" ! A very wet and muddy game at Parklea this week. There was some great passing and teamwork from all the women. I think we finally got our "mojo" back. Lana scored her first goal, followed by another! The third goal has to be given to BI for travelling up the field and taking a shot. Julie also got a finishing touch in. Thanks to Jeff for taking time out of his own game to see how our injuries were. Hopefully we can continue this quality soccer next week for the double header.

Round 11 - 20th June
Tigers QHill 3 v Doonside 0

A good game but unfortunately no win. There was some great pieces of play but the guys were unable to score. Dylan, Shivesh and Cayne were kept busy while holding their positions in the back. There was great defence by the boys preventing some goals. While Krishneel and Connor put in 100% effort and produced some great passes. Our Player of the Round this Liam, he made some great tackles ,was constant all game in his involvement and unlucky not to have scored a goal. Damon, Jacob and Rajbir also put in great efforts this week showing great tackling, passing and support of their fellow team mates. Keep applying yourself guys and we will see improvement each week.

U6 Kookaburra's

Round 10- 13th June

Doonside v Minchinbury

How good was it to get the kids back onto the field? The team as always were eager to play and once again put on a great display for the spectators. The oppositions net was indented many times by the Kookas.

This week's player of the match went to **ALI** for showing great improvement and the encouragement award was handed out to **AIMEE** for her input to the game and fighting on after copping a knock during the match.

Luke, Daniel and **Jye** contributed once again making it an overall improved performance by the team after having a three week break due to the weather. Coach: Marcel Haber.

U8 Sharks

Round 11- 20th June

Doonside v Glenwood

The weather couldn't decide what to do, but the Doonside Under 8 Sharks knew what they were doing. They had their best game for weeks.

Dylan and Joshua H both did a really good job in goals. Drew and Nick played great defence.

Jake and Nathaniel had fantastic games, all over the field. Logan and Joshua C are playing well in their first season, and kept getting involved.

Nathan tackled well, and positioned himself for a goal from a corner. Isaac didn't play, but he'll be back next week. Pity we couldn't give awards to the whole team.

Player of the Week: Joshua H
Encouragement: Nathaniel
Manager Megan Haber.

U17/1

Round 2 & Round 3

Double Header

(Sat) Parklea 3-0 win

(Sun) Quakers Hill 10-0 win.

The new guys are blending in well this season. Looking like a team. Passing the ball to each other, looking for gaps and things are looking good for the season. Goal scorers for the weekend were Dennis (5) Ryan (3) Rushy (2) Greg and Nathan 1 each.

Round 4

Doonside 6 v Eastern Creek 0

Was a good win considering it was a day for flying a kite or two. Pushed the ball around the park well again this week but we have to be first to the ball. Goal Scorers were Rushy, Dennis and Brent.

Round 5

Doonside 5 v Oakville 2

Goal scorers this week Rushy (3) Linton & Dennis one each. Just one thing - pretty sloppy game guys!

Round 6

Doonside 7 v Lourdes 1

A big improvement on last weeks game. Alot more commitment and ball control this week. Some good goals were scored this week. Bobby & Dennis (2) each, Rushy & Ryan (Good free kick) one each, plus own goal. P.S - Unlucky Bobby

Round 7

Doonside 1 v PCYC 0

Boys go buy yourselves a lottery ticket. Good goal Bobby.

WET WEATHER

U12/1 Girls

RD 10 vs Parklea Lost 6-0

After not playing for some time due to the wet weather the girls took their time to get into this match and again the score line does not do justice to the effort put in by all the girls. Despite playing the runaway competition leaders and being down 5-0 at the break the girls never gave up and eventually conceded only 1 more goal to lose 6-0. There was some very good efforts tonight with Georgia the player of the match just shading Tahlia who did a fine job at sweeper in the second half and Temmah who continues to improve with each game. A special thanks must also go to Jade and Madeleine who played with us tonight and more than held their own, they are both players of the future.

Rd 11 vs Rooty Hill Lost 5-0

After the great effort of Friday night expectations were high for our first win of the year but the girls did not back up the effort and despite having an even first 15 minutes soon conceded a soft goal and this seemed to be the trigger for the girls to drop their heads. There was no passing, no chasing, miskicks galore but mostly no enthusiasm. There was some good individual efforts though and Rhiannon was player of the match just ahead of Brie, Georgia and Tahlia.

U6 Kangaroo's

THE U6 KANGAROOS ARE KICKING AND JUMPING

We played in cold wet conditions but the boys were in good spirits. We had only 5 players available on that day and one being sick. So with only 4 players and none in reserve the boys showed utmost enthusiasm.

Chocolate Money is now overdue!

Please return your money or chocolates to the canteen or your team Manager as soon as possible.

U6 Kangaroo's

We have seen a lot of changes from what some were in the early stages of joining the team and now they are getting the hang of soccer. Special mention goes out to Niraj, Daniel, Joshua, Chase and Arnav whose skills have quite improved and showing a lot of courage to go out and get the ball from the opponents.

And lastly the champ of our team Jackson who scores the most goals and for getting the player of the week. Jackson has quite a lot of talent and skills on becoming a very good soccer player.

Coach

U6 Kangaroos

U6 Magpie's

Round 10 13-6-09 v QHill Tigers

The team were excited to be back on the grass after rounds 8 & 9 were washed out and no training, they were all very happy to be playing. Jayden, Brannen, Julius, Max, Jason, Zac & Abby played a brilliant first half. Working together they were able to keep the other side from scoring. Jason was the player of the week and Abby received the encouragement award.

Round 11 20-6-09 v Quakers Hill

This was Brannen, Julius, Max, Jason, Zac, Abby & Jayden's first game on a wet pitch in the rain. It was a different experience for them – realising how easy it is to slide on wet grass. There were a few 'I don't want to play in the rain' but the team got on with the job of playing football. Our player of the week was awarded to Abby and the encouragement award present to Zac.

U/6 LIONS

Meet the U/6 Lions

Michael

Xavier

Ethan

Brock

Lachlan

Jacob

William

These young boys are working well as a team (even after the missed games and training because of the bad weather). They have all experienced the thrill of kicking goals this year (they've scored lots). They defend well (other sides don't get to kick many goals) and they are having lots of fun. They support and encourage each other. The other U/6 Lion teams that they play against comment on how well they play.

Well done boys keep up the good work and enjoy yourselves.

U14/2

Round 10, 13/6/09
Doonside 1 v Plumpton/Oakhurst 2

It took the boys quite a while to settle into this game after the month long wet spell. We conceded an early goal in the first 2 minutes, the result of an unlucky bounce and this would prove the difference at the end of the day. The boys defended well at the back with Thomas, Jonno and Patrick all having solid games. Patrick in particular was having a blinder. Once the boys eventually settled down to business things looked promising, we were starting to make some space down the right flank with Shiva making some good runs, but we just couldn't get the ball into the net.

The second half started as the first ended, with us on the attack. Pedrag and Adrian were combining well up the front and a nice pass through to Adrian saw him score the equaliser in the 4th minute. Things were looking good as our midfield of Alex, TJ and Kasam moved the ball forward and gave our forwards plenty of service. We had plenty of chances but just couldn't get the go ahead goal. In the 12th minute we conceded a goal against the run of play and this seemed to take the wind out of our sails. The boys kept trying but just couldn't dominate as we had earlier.

Man of the match: Patrick

Round 11, 20/6/09
Doonside 1 v Riv/Schofield 3

With a win in the first round against this side we went into this game with a positive attitude. We moved the ball well around the middle of the park but Riverstone were defending well and making it difficult for our forwards Adrian and Aaron to get a break. Adrian was having a good game in

goals and was called on to make a number of good saves. Neither side was dominating and Josh managed to steal a scrappy goal just 4 minutes before half time to put us 1 goal up.

The second half was up & down with first one side then the other dominating. Riverstone managed to score in the 7th then 19th minute to put them up 2-1. We had our chances but just couldn't manage to score and on a number of occasions their keeper was called upon to make good 1 on 1 saves against Adrian. Alex and Ahmed never stopped running in the midfield and Pedrag was given the difficult job of shadowing their best player, and kept him quiet all day. We were still searching for that equaliser when 2 minutes from full time they scored their 3rd goal when Adam dived to cover a shot & got a nasty bounce which he just couldn't control.

Man of the match: Ahmed

U8 Kangaroo's

Sat 13 May vs QH Tigers

All the girls had a good game today and thanks to the assistance of a couple of our friends from the U8 Echidnas we were able to get a few goals on the scoreboard and boost the moral of the players and supporters. Thank you to Ethan Pritchard & Jack Hawkes for helping us out today. It was a difficult choice as always but Player of the Match goes to Cheyanne Withers.

Sat 20 May vs Seven Hills

We played short again today as the boys were unable to help us out, but our opposition were also missing players so things were looking up – unfortunately one of their upgraded players

U8 Kangaroo's

was another Harry Kewell in the making so that made our job a bit difficult. The girls put in a great effort and happily carried on when the heavens opened despite most of the supporters making a run for cover. Player of the Match goes to Natalia.

Sun 27 May vs Quakers Hill

The girls put in a solid effort today with some good passing and team work. Natarsha & Alicia were on fire chasing the ball, Natalia and Cheyanne were as reliable as ever and Tayla put in her usual consistent effort we have come to rely on and earned the Player of the Match. A special thanks to Nick Brown and Stirling McKinder for helping us out today – we really appreciate the assistance of the U8 Echidnas.

U10/3

Round 10 v St Pats 5 - 0 Win

Turn of the round weeks away from soccer it was going to be a very interesting game to see how we were going to go with so much time away from the fields due to wet weather but the boys turned it on and played an outstanding game of soccer.

From the start we dominated and made sure we hit our goal early of achieving a score of 4 nil by half time. Second half we took a step back and allowed the play to battle out in the mid field where we only seen 1 additional goal in the second half the boys played an outstanding game, the whole game they tackled well and look to use the space. They played quick touches and kept their heads up looking to use supporting players which was demonstrated well in a cracking goal set up from a pass from Daniel down the flanks which touched 3 play-

ers before hitting the back of the net. The second half to our season will be thrilling and somewhat long with 2 very important catch up games to play.

Round 11 v Oakville 6 - 0 Win

We have hit our stride with this game the boys game is going from strength to strength which is what we need with some tough games ahead. Oakville at home can be dangerous but today we had all the answers, we kept the well and truly out of the game and again achieved our half time goal of 4 goals ahead. Second half again slowed which is a focuss point of our game which we need to work on, we need to start to strengthen our structure and game play in the second half. Saying that it was still a dominating half with 2 more goals sealing the result for us at 6 nil.

Round 12 v Rooty Hill 2 - 1 Loss

Top of the table clash - this was going to stand as the defining point in the competition a win here by either team would put them out in front sitting clear of the table and with the rest of the season to determine the final stance based on week by week results from both teams.

We started well, game was balanced with neither team getting a great deal of strong opportunities although we held the balance of play in their half. We were rewarded with an outstanding goal off a great cross and the scene was set at 1 - 0, unfortunately not to last for long with RH levelling the score off a great head from a corner. Half time 1 All, 25 minutes to play and our boys were looking ragged after a week of illness from colds and flu but the boys were not going to stop.

U10/3

Second half was a thriller we battled to the end, nervous looks were on the parents faces when they noticed that Safe Hands Bradden our normal goal keeper was coming out of the change sheds without his keepers gear - down and out sick and he could not go on - it was up to Brett to take the gloves, I stood watching nervous and worried - we have not played a game in 2 seasons without Bradden and one that was this important - I said to Brett at half time "No Fear - Put your Body on the line" and he did - first chance RH had to test Brett was a one on one bodies/arms/legs everywhere and Brett comes up with the ball and that was it for the game Brett was going to not let his team or Bradden down - poor refereeing seen RH get an opportunity to score from a corner which was taken from the 18yd box but we were determined to get it back. Shot after shot went without a goal - Daniel hit a screamer which we all fell over when it hit the post. End result was to see RH win and take the top spot on the table - FOR NOW!!

Boys we are on track to reach our goal for the season - forget last week and focus on the next game.

U10/4

Round 4 Doonside Hawks 3 Vs Minchinbury 1

Today we played with a great deal of structure and width. We were well spread out and made some great passes. We scored some good goals that were a result of some great dribbling down the wings and finishing. Good game in defence by Bailey and Sean playing in midfield. Well done to all the boys.

U10/4

Round 5 Doonside 3 Vs Quakers Hill 3

Playing against one of the unbeaten teams in the comp today we played very well. Two of the oppositions goals were a result of passing the ball across the box in defence for them to score. If we can make sure we don't do this we will win these close games. It showed great character however to come back from 3 - 1 down just after half time to get a draw and just missed a shot at the end of the game to win it. Good work from Lauren up front and Blake in mid-field today. Keep up the good work and keep working on the defence.

Round 6 Doonside 2 vs Quakers Tigers 1

While it was good to win we were a little lucky today as the opposition particularly in the first half outplayed us a bit. We were down 1 -0 at half time again and did well to play better in the second half to score 2 goals but were lucky as they were both penalties. The penalties were well taken by Linden and Ryan who scored his 1st goal of the season. We need to play like we did in the second half all game. Good result boys.

Round 7 Riverstone 1 Vs Doonside 2

Today we bunched up and all went for the same ball and nearly got beat by the bottom team. We all know we can play better than that however again we came from behind to win. If we pass the ball and clear our defensive lines then we will not concede goals like today. Well done to Brodie and Bardia who played well. Even though it has been hard to get on the grounds to train keep up the hard work on improving our defence.

U16/1 Girls

Round 3 Doonside 0 Vs Quakers Hill 4

Unfortunately we only had 7 players turn up to today's game due to sickness and other commitments. However the effort and skill you ladies displayed today was outstanding. Even with the shortage of numbers we played a lot of the game in their half and made their keeper work on several occasions winning a couple of corners from the oppositions last ditch defence. Great passing and work in midfield today from Caitlin Putland and Remy. Keep up this work and effort and you will do very well this season.

Round 4 Doonside 1 Vs Prospect 5

The result today was a little disappointing as we took the lead in the first 60 seconds only to find ourselves down 5 -1 at half time. Some of the goals that we conceded were disappointing and shows we will need to work a little harder in defence. However due to injury and a discipline matter we had to play the second half with 10 players at for a 10 minute period with only 9 players. Despite this we kept working hard and did not concede again in the second half. Good work from Breegan who took over in goals and Rachel who played well in midfield. Very good second half effort. Keep working hard and we will keep improving. You are all doing a great job and improving each week.

“Remember to Support our Sponsors as they support our club, see our preferred services directory on the back page”

24 Hour Relay for Life

Most of you who have been with the club for a few years may be familiar with Ivan Ruming a life member of Doonside Hawks Soccer Club. There was an article in the Blacktown Sun a few weeks ago about Ivan and his attempt to gain sponsors for the 24 Hour Relay for life to raise funds for the NSW Cancer Council.

The event will be held at Blacktown Olympic Park on the weekend of October 31 to November 1. Ivan will be one of many people who will be participating in the walk. The Relay for Life involves 10 to 15 people taking turns to walk laps around the Olympic Parks Athletic track.

Relay for Life is an overnight event, enabling walkers to come and go as they please, or pitch a tent next to the track and stay the night. There will be fireworks and a touching Candle lighting ceremony where participants remember their loved ones they have lost to cancer.

Ivan is currently looking for sponsors for this event, if you would like to sponsor him you can contact him on 0409 366 007 after 4pm. To participate, get a team together and register by visiting:
www.relayforlife.com.au/nsw or call 9687 1399.

In previous Years Ivan has managed to Walk for the full 24 hours - Good Luck Ivan!

Football NSW and FFA Small Sided Games Demonstration

Football NSW and FFA Small Sided Games Demonstration

Thankyou to the players, parents and coaches who arrange for Under 6/7/8 & 9 players to attend Valentine Park on Monday 29th at 4:30 to participate in a Small Sided Games demonstration for Football Federation Australia. Doonside Hawks were lucky enough to be asked to take part in the process of finalising the design of what the Small Sided Game will look like Australia Wide.

The kids who attended all had a great time playing games on fields varying in sizes and having the opportunity to take part in a monumental process. Officials from the FFA were in attendance and were testing various aspects of Small Sided Games and watching our kids play soccer, the results from Monday night will be utilised by the FFA to set the field and goal sizes for Small Sided Games Australia wide, the basis of the results will be utilised by all Associations in years to come.

It was very interesting to be apart of the process and see the options being considered for field sizes especially for the Under 8 & 9 teams and for the Under 10 and Under 11 teams who were there from the Football NSW Scholarship Program testing the Under 11 to Under 12 field sizes.

Thankyou again for your support in coming along, of the 26 clubs in the local area we were fortunate enough to be selected for this trial.
