Celebrating Some Milestones

While it is that time of year to be focussing on teams making the finals over the last few weeks we have had a few teams that have had a difficult season for various reasons but had a reason to celebrate over the last few weeks and deserve some recognition.

Firstly congratulations to the U12/3 boys who after a late season change of Coach to our Club Coach Christian had their first win of the year. The team has had a difficult year and I hear that the players, parents and the Coach were ecstatic to get a win, Well done to all concerned and hope to see you all back next year to continue the journey upwards.

Next we had our U12/2 Girls receive their first points of the season with a 1-1 draw with Quakers Hill, their Coach Sean has put a match report in on that game but I was lucky enough to be there to capture the moment on camera and the girls were very proud.

Our U12/1 Girls after a tight season had their first win of the season 1 nil against Quakers Hill. Some of the girls on the team have been playing for three seasons without a win so you can imagine the joy of their first victory. I wish I had been there, the parents were apparently as excited as the girls if not more. Well done girls and Congratulations to Dave the Coach.

And lastly but not least our All age Men's Div 5 team received their first points for the season with a draw coming back 3-0 down to end the game 3-3, apparently the guys were celebrating like a Grand Final Victory. What a great comeback well done guys.

U10/3

Boy here we are at the end of the season - 2 rounds to go.

We have had a great season and you all should be very happy with yourselves, I know that Shannon and I could not be happier with the effort you have given so far, but it is not over yet.

We set ourselves a goal to make the semi's this year and anything better than that is great - well we have achieved our goal - end of Round 16 and

we are in the semi's guaranteed - boys you are all coming to your strength at the right time, after the wash out we hit a bumpy road but we are getting it back together and you are all starting to dominate the field of play.

Lets keep our heads and focus on each week - Round 17 and Round 18 will be tough but the Semi's will be tougher lets keep our heads focussed on the job at hand push through for a new goal "Playing on Grand Final Day"

Keep up the hard work and we will get there.

U6 Kookaburra's

U6 Kookas v Parklea Kookas

We were finally blessed with fine weather for a perfect game of soccer. Today we clashed with the Parklea kookas and once again the kids turned up with the right attitude...

.... That is to have fun and score lots of goals.

All the team played well with Daniel, Luke, Jye and Aimee running rings around the opposition. This week

U6 Kookaburra's

however belonged to ALI who broke out of his shell and totally made the game his own.

For the first time this year Ali joined the goal brigade and made his coach and parents very proud. Player of the match went to Daniel and Ali took home the encouragement award.

Our team almost hit double figures and the effort seems to develop a bit each week.

U6 Kookaburras V Kings Langley.

The future champions from Doonside once again displayed there true spirit. Everyone was keen to impress and today was extra special due to some of the kids having there grand parents and aunties and uncles present to show their support.

The game was a one sided affair with Daniel and Ali stealing the show, Ali has become addicted to scoring goals of late and put on a treble for his proud parents.

Strong defence was shown by Jye and Luke, with Aimee showing great running not skipping as she weaved through the defence.

Luke was rewarded with a late net finder for his efforts and Daniel received the encouragement award for once again adding to his tally.

This week's trophy went to Jye Lawn for mowing down the opposition with his great foot work.

U6 Kookas V Glenwood Kookas. 25.07.09.

What a glorious afternoon to play a game of soccer. The kids were happy to have a run and were eager to do

U6 Kookaburra's

The Glenwood team also turned up with the right attitude and both sides competed well to see who would come out on top.

All the kids played well with Daniel, Luke Jye, Aimee and Ali contributing with great defence and attack.

Luke Haber and **Daniel Cutlac** found the net 5 times between them but this was not enough to take out the match.

The encouragement award this week went out to **Giselle** for having the courage to get out on to the field and take the kick off, this

Girl made us proud after not having enough esteem in herself during previous weeks to go out and play (usually Giselle puts on the Team jersey and then backs out).

This week's player of the match went to **ALI** who once again displayed some great foot work.

Coach: Marcel Haber.

U8 Sharks

U8 Sharks v Quakers Hill Sharks. 5 to 2 WIN.

The Jed TAYLOR COACHED Sharks met the Quakers Hill Sharks at Glen-denning.

The game was played with some great attack from both teams and the home team did a great job to keep the opposition pinned in their own half.

The boys put in a great effort and I believe the pep talk that the coach gave the boys at the beginning of the match worked wonders.

U8 Sharks

Once again Jake Taylor worked hard scoring twice and had great support given by Dylan and Nathaniel.

Logan and Nicholas produced some strong kicks and defended well. Isaac and Josh did an exceptional goal keeping for their first attempts.

This week's encouragement award went to Isaac and the player of the match went to Nathan Haber who attacked well, showing some great dribbling skills for a personal tally of three (3) goals.

Manager: Megan Haber

U8 Sharks V Workers. 2 goals to 1 Loss.

The Doonside Sharks were heading into this game determined to play well after the last encounter with the opposition where they were defeated by a goal.

The boys wore yellow arm bands to raise awareness for cancer research and did the team proud with some great defence and attack.

From a spectators point of view you can see some great improvement week by week by certain players and I truly believe that with the right guidance the club will develop kids to take their soccer dreams to greater heights.

Nathan Haber opened the scoring for the home team however the visitors hit back with some poor goal keeping from our side; this is how the score remained till half time.

After a pep talk from Coach JED the boys kept the ball mainly in the opposition half and on numerous occasions Nathan Haber was unlucky not to find the back of the net with near misses.

U8 Sharks

The Workers side scored late in the second half and this is how the game ended. Strong displays were shown by Josh, Dylan, Logan, Isaac, Nathaniel, Jake and Nathan.

The encouragement award was given to Nicholas for his strong kicking and this week's trophy went to Josh Cassar for his terrific heading and foot work. Josh Cassar is doing extremely well considering this is his first year at playing a team sport, well done.

Manager: Megan Haber

U8 Sharks V Plumpton / Oakhurst Sharks. 25.07.09.
3 to 1 WIN.

Another great game was had by the under 8 Jed Taylor coached Sharks. The team was met by a larger field and had to play against the top team in their competition.

The boys showed some great attack from the start and **Miggy** was very unlucky not to put his Doonside team in front very early in the match. The first half was played in the oppositions half and **Nathan Haber** once again had the opportunity to score With several near misses. The home side dribbled the ball all the way down field after the Doonside team had the ball pinned in the opposition's goal box and scored the opening goal.

The score remained 1 nil till half time and the boys regrouped to have a well earned rest.

In the second half the boys came out firing after a stern pep talk from the coach who was pleased with some of the effort shown and wanted to see the boys spread out a bit more and not Fight over the ball with their team mates. The pep talk obviously worked

with the team getting there act together with some great defence shown by **Josh Hayden, Nathaniel** and great heading by **Josh Cassar**. Good attack was shown by **Logan,**

Nicholas, Miggy and Dylan. A super effort was shown by **JAKE TAYLOR** who scored **three 3 goals** and always terrorised the opposition with his alertness and positional play. This week's encouragement award went to **Josh Cassar** for his neat foot work. The trophy and player of the match was given to **Isaac (Miggy)** who had his best game by far this year. The extra training that he did at home during the week payed dividends.

U16/1 Girls

Round 5 Doonside 0 - Parklea 6

Bad luck today girls with the result not reflecting the great effort you put in. Having to start the game with only 10 and then having a player come off injured did not help but your commitment and attitude was great. We need to learn to close down players to stop them shooting as most of the goals today were long range and from tight angles. Good work in the midfield Rachel and Remy who have built up a good understanding. A great second half effort only conceding 1 goal. Keep up this attitude and things will turn around for us.

Round 6 Doonside 0 - Rooty Hill 5

What an effort. This is without question one of the best sides in the comp and after going down 3 nil in the first 7 minutes you fought back brilliantly to play some great soccer. Although we did not win the second half as I asked, we did keep them scoreless and this really frustrated the opposition. 0-0 in a half against these girls is a great achievement. Thanks to the U14 girls who came up to help. Good effort from

U16/1 Girls

Tahlia and Christie Lee who had great games today.

Round 10 Doonside 2 Vs Parklea 6

Once again a scoreline that does not reflect our effort. Again playing short we scored two goals and their goals came mainly from outpacing us in the backs with one very fast player. We closed them down much better today. Well done to Demi who scored our goals and well supported by Caitlin Putland. Good effort girls keep you chins up.

Round 11 Doonside 0 vs Rooty Hill 7

Despite being outplayed today by a better team your effort was again exceptional. Great work in the defence by Erin O and with Breegan being amazing as always in goals. Allie who switched to defence today also played great. We let a couple of soft goals in by not playing to the referees whistle even if they were offsides. Great lesson to learn girls always play to the referees whistle. Well done on the effort. keep it going.

Round 12 Doonside 1 Vs Glenwood 9

It's not every day that after the game the other coach walks off the field saying how great your effort was but today that happened. The score does not tell the story. The team today were leading the comp and we only played with 8 players. But we matched them in the centre of midfield with Remy chasing everything and Erin M playing great in defence. We just could not cover the gaps down the side which is where most of their goals come from. Bad Luck when we get our players back we will start to get some good results.

Round 13 Doonside 0 Vs Quakers Hill 4

This was an outstanding game. Despite only have 9 players we really put it to

U16/1 Girls

this team today. The only reason that the score was like this was because they opposition has an outstanding keeper. Demi had two great shots at goal that had to be magnificently saved and would have beaten any other keeper in the comp. Sarah had the best game I have ever seen her have chasing all day and winning most of the balls she contested. Well done as a team despite everything you are sticking together as a team. Keep it up.

Round 9 Doonside 0 vs Prospect 9

Unfortunately tonight was the only game this season were we did not put on a good performance. We didn't chase the ball hard enough, didn't close down the players allowing them to shoot and got punished. A night to forget but focus on what you have achieved already and I know you can bounce back from this when we play them again on Sunday. I know you can do it.

Round 14 Doonside 0 Vs Prospect 2

I knew the other night was a small glitch. You girls were so unlucky. Despite only having 10 players you matched them all over the park and were the better team. The difference in the end was to penalty decisions one they should not have got and one we should have. Great work by Breegan and Erin O who were magnificent in defence showing a very physical side how tough we can be and Demi who constantly troubled the defence. This is what you are capable of girls and we are not very far from turning some results.

Round 15 Doonside 3 vs Parklea 2

Today you finally got what you deserved for all you effort. While we only had 10 players again, the opposition only had 10 and we were more than a match for them going up 3-0 in the first half. Great goal from Rachel and Alana playing up from the u/14s with Demi also chipping in with the 3rd. In the sec-

U16/1 Girls

ond half we started to defend a little deep and invited them back into the game with Caitlyn S making some great saves but in the end you held on for the win that has been coming. Keep up the good work and lets finish off the season in style.

Round 16 Doonside 1 Vs Rooty Hill 3

Ladies what a great game ! These are the comp leaders, the team who beat you 14 -0 in round one and today you were unlucky not to get a draw. Down 2-1 with only about 5 minutes to play we pushed a shot just wide only for them to run in behind our defence and score a late goal to seal their win. Fantastic passing through the midfield was the key today and the opposition really had some trouble keeping us away from their goal. Erin M played great on the wing with Breegan again sensation in goals when Caitlyn was injured. Also a great game by Allie. This is what happens when we finally get 11 of our players on the field we can match it with the best. Well done !!! Sensational. lets keep it going.

U10/4

Round 10 Doonside 2 Vs Workers 0

Good win today boys with some good play through the middle of the park. We had a lot more shots on goal than the two that went in with most of the play in their half. Great game today by PJ who won a lot of tackles and passed some good ball through to the striker. Good game by Aarnav also. Keep up the good work boys.

Round 11 Doonside 3 Vs Minchinbury 6

Today boys we did not play as well as we have been just kicking the ball anyway without passing it. We often kicked the ball straight to their players and lost some goals kicking it straight across goals to their players. We did manage to score three goals with Ryan's goal being a great finish. Lyndon and Brodie also played well. Let's keep up the hard work and we will turn these results around.

U10/4

Round 12 Doonside 0 Vs Quakers Hill 2

A better performance today boys but unfortunately we did concede two sloppy goals. We need to do big clearances when the ball is in our box. Despite the opposition scoring lots of goals against other teams they struggled to get the ball because of our passing. Good game from Mikeal in goals and Marc in defence stopping some of the attacking raids the opposition could mount. Keep up the effort boys.

Round 13 Doonside 1 Vs QHill Tigers 3

Another day when we just kicked the ball anywhere and did not chase it. We know how to pass and beat teams but don't always concentrate hard enough. Prabjhot played well in organising the defence and Lauren played well with the little ball that came his way constantly making runs at their goal. We know we can do much better than this if we pass the ball. Keep working hard.

Round 9 Doonside 0 Vs St Pats 3

A much better performance than yesterday and dreadfully unlucky not to get the result today. After being down 1 -0 early it stayed that way for a long time with us getting so close to scoring but just not being able to put it in the back of the net. They got a couple of lucky goals at the end as we tried to get the goal to equalise. On a very big field there were some good performances Bardia playing well in defence and when he went forward and Nigel very good in the centre of midfield. Keep up the hard work boys and the results will come.

Round 14 Doonside 2 Vs Riverstone 1

We passed the ball well in patches today and need to keep doing that more. You showed what you can do today when we move the ball, you are a very good team when we concentrate. Lots of good performances today with Bayley and Sean being very good and Lauren having a great game. well done boys keep up the improvement.

Round 15

Doonside 1 Vs Plumpton Oakhurst 5

Today's effort was outstanding. This side has scored 100 goals this season and only had 5 against and we have scored 2 of those 5. At half time we were down 2 -1 with one certain goal being ruled out for offside that even the other coach didn't think was right. Today showed how good we can play when we pass the ball to each other and use the wide areas. Great game by Brandon in the stopper position and Lyndon and Ryan who played the wide roles perfectly. Ryan was dreadfully unlucky not to have scored a couple of goals. Blake had a man of the match performance in midfield with great passing and tackling. Well done boys. keep playing like this and we will not only make the semi's but will cause a lot of teams problems.

Round 16 Doonside 0 Vs St Pat's 1

Today against the side coming third we did not play our best and they could still only beat us one nil with a goal that we set up for them. We just kept running to the ball today rather than getting into position to get a pass. Every time we did pass the ball we made lots of ground which resulted in us getting shots on goal. We know we can how well we can play when we pass the ball. Well done to Arnav who held position well Brodie who played well.

AAL/3

Sunday 22nd June

Doonside 0 V Quakers Hill 3

With 17 registered players it was disappointing to have only 10 show up. Everyone on the field gave it 110% to try and beat Quakers Hill again. They scored in the first 2 minutes, but we kept our heads high. With 5 defenders missing and our back line made up of midfielders and forwards, we did well to only let 3 goals in. Fran probably touched the ball more than any of us, and she did a superb job saving 99% of the shots. I believe the score would have reflected a very different outcome if our team was at its full strength.

Saturday 4th July

Doonside 3 v Kings Langley 0

Against a team who has lost many of their games we were pleased to have an easy one for this weekends double header. Kate was injured and played in goals where Fran had her time to shine on the field. Well that is an understatement because she scored a hat trick! (Much to her husband's disbelief). Turns out she has been playing the wrong position for 3 years! The other forwards came close to scoring. Some great passes and teamwork by all players.

Sunday 5th July

Doonside 4 v Glenwood 0

After losing 6-1 to this team in the first round we were out to prove ourselves. Kate was in goals again (and crapping herself I might add) which meant Fran was on the field. It was a very physical game with lots of pushing and shoving. We never backed out of a tackle and pushed ourselves to the limit to defend our goals. Fran wasn't content with people thinking her hat trick was a one off fluke so she bloomin did it again!!!

The Alroy Tavern are proud sponsors of our All Age Ladies team

AAL/3

She placed herself in the right spot every time and used her quick legs and inexperience to her advantage. She didn't dribble too far in front of her and she took shots early which is what we were lacking previously. Amanda Harper scored a beauty in the second half to really seal the deal. Alicia and Lana were amazing in defence and didn't let Prospect have too many shots. Hopefully we can play this well next week.

Sunday 12th July
Doonside 3 V Prospect 3

We had a nail biting draw against Prospect this week. They are currently first on the ladder with only one loss. Belinda was back on the field after a few weeks off with an injury. Kate was resident goalie again and Fran played up front. Prospect quickly scored in the first 5 minutes which got us into gear and ready for retaliation. It wasn't long before Fran put one into the back of the net, which made Prospects coach get out of his chair and pay attention. There were some great passes and tricky moves by the midfields, some great clearances by the backs and excellent teamwork by the forwards. Amanda Harper scored again this week and Fran made it two (what, no hat trick this week?). The whole team put their heart and soul into this match. Hopefully we will see them in the finals. Also special Congratulations to Belinda and Paul on their engagement.

Sunday 19th July
Doonside 4 v Marayong 0

A frosty game at Marayong this morning. Every player had a good game. The forwards and midfields had some nice, clean passes between them. Amanda Harper scored 2 great goals in the first half. Alicia zigzagged through every Marayong player to score in the second half. Nan also scored a pearler in the

second half- her first goal in 30 years! Congrats Nan. The backs stopped everything in their path, so much so our keeper touched the ball 3 times total. The most action was chasing the runaway dog off the field! We seem to be finding some great form in this second half of the comp. Hopefully we can make it into the finals.

Sunday 24th July
Doonside 3 v St Pats 0

A freezing Friday night game at home. From the first whistle it was all on for young and old (no pun intended Nan). Lots of pushing and shoving, one of the roughest games I've seen, but we tried to play our game and stick to what's important- scoring goals. Amanda Harper scored one in the first half and Lana scored 2. These girls are starting to score every week which is making the difference between winning or drawing. There was great passing by all players. The ladies new to soccer at the start of the year- Sam 2-can, Amanda Miller and Jo have improved so much. Unfortunately all didn't end well when Bec1 went into a tackle and came off second best. An Ambulance was called and the 20 mins remaining on the stop-watch ran through. We all wish Bec a speedy recovery. A clear win to Doonside.

Sunday 26th July
Doonside 1 v Rooty Hill 0

Early morning start at home this week. It was a very crucial game for us in terms of the ladder and making the finals. Rooty Hill had 2 clear breakaway players who tried very hard to get past our back line. We were very strong in defence and shut them down every time. Half time score was nil all. Rooty Hill had a few shots, all stopped by Kate in goals. There was a brilliant pass from

Lana to Amanda which saw Amanda put it in the back of the net. Alicia is solid as a rock as sweeper, never loses her focus and is there to stop every ball. Very proud of Sam Dalkeith for being able to do headers now, it took a while but she got there. Nan played well in centre and seems to spring back up off the ground faster than most of the young ones. We held Rooty Hill out for the rest of the game. Good win ladies, we perform when it counts most.

U9/4

Round 12 27/6/09

Doonside 0 v Quakers Hill 0

Congratulations to all the boys on a fantastic game this week. Brad was very proud of you all. Dylan, Krishneel, Shivesh and Rajbir showed some great tacking and becoming more involved every week. We had Justin, Cayne and Connor defending at the back, doing a great job and producing some strong kicks. Caynes involvement saw him receive Player of the Match. Jacob, Blake, Zachary and Mitchell with the support of Ben, Jayden and Damon never stopped trying to score that elusive goal to break the deadlock. All the boys skills are developing and improving each week. The score does not reflect a great effort!

Round 13 04/07/09

Doonside 2 v St Pats 1

Great effort guys and a good win! It was hard this week as we had no reserves but the team never stopped the whole game. The boys did us proud, they held there positions and produced some great passes to each other. Our first goal was scored by Rajbir from a great pass by Jayden. Our second goal also in the first half. Justin produced a strong kick which Mitchell was able to convert. St Pats scored in the second half but the boys kept up the pressure. A constant effort and improved balls skills saw Krishneel receive Player of the Match this round. Congratulations boys!

Round 14 - 11/7/09

U9/4

Doonside 3 v Parklea 0

The score says it all, the boys had a great game. It was a fantastic team effort by all the boys. Our goalie this week was Connor, he did a great job to keep Parklea out. There was great defence by Justin, Cayne and Krishneel. While Liam, Jacob, Dylan and Zachary showed again this week great ball skills producing smooth passes to each other. While Jayden, Damon and Jacob also produced some great team work. As a result of the great effort by all Mitchell was able to score our three goals. Damon was constantly involved this week, his great effort resulted in Damon being awarded Player of the Match for this round. Keep up the great team effort, you guys are improving each week and it is great to see.

Round 15 - 18/7/09 - BYE

Round 16 - 25/7/09

Glenwood 3 v Doonside 4

Well what a high scoring game this week! The boys started off strong in the first half which is when they scored there first 3 goals. Great defence from the backs and strong passing and positions by the boys saw the goals scored by Mitchell, Rajbir off a pass by Blake and Damon. The teamwork was fantastic to watch and they kept the pressure on the opposition. The second half started off with a home goal being scored because of again the pressure the boys put on Glenwood's goalie. So we were up by four when I am not sure what happened but the boys seemed to relax and lost focus which resulted in Glenwood scoring 3 quick goals. The game was certainly interesting this week. The boys have come a long way and all have definitely improved since Round 1. Keep up the great team effort guys. A good win!

U12/1 Girls

Round 12 Vs Glenwood

The girls tried very hard today and played a very good game to hold them to 2-0 until the last 10 minutes when they scored 3 quick goals to blow the score out to 5-0, not a true indication of the game. There was some excellent displays today with Jess C having a very good second half in goals after a strong first half to just edge out Brie for the player of the match who had a great game in defence. All the girls are getting better each week and our first "real" win of the season is not far off. Thank you to Jade and Madeleine from the u/10's for helping out again.

Round 13 Vs Quakers Hill

The girls were very unlucky not to have at least drawn this game with the girls dominating the second half to the extent that Jasmine our goalie only touched the ball when she picked the ball out of our net when they scored the winner with about 2 minutes to go. Some very good performances today with Jess C solid at the back, Tahlia getting better at sweeper with every game, Jess S having a good second half when put back into the midfield, Georgia doing what she does every week, Tayla getting back to her best but they were all pipped for the player of the match by Brie who was very good today. Emily score our goal today, a great free kick. Well done to all the girls today but we must learn to take our chances which would have ensured a victory rather than a last minute loss.

Round 14 Vs Riverstone

After being beaten 10-0 by this team in the first round the girls were absolutely brilliant tonight and lost a thriller 4-3, with most at the game agreeing some dubious calls from the ref cost us our first real win of the season. Mel scored from a corner after about 2 minutes then played went from end to end when they finally equalised after 20 minutes but the girls would not lay down and Tayla scored almost immediately to have us up 2-1 at the break. The girls continued where they left off in the first half but soon the refs decisions started going

against us with their equaliser coming with their scorer at least 5 metres off side, then their next from a hand ball that was not called. To their credit the girls again hit back with Emily scoring 1 of her free kick specials to have us 3-3 before another bad call had us 3-4 down. The girls continued to push for the equaliser but time was against us. All the girls were fantastic tonight but Tayla judged to be player of the match.

U/12 Gala Day

The girls played in a gala day where they played 6 games winning 3, drawing 1 and losing 2 to just miss the semi's by 1 point. In this tournament the girls played division 1 and 2 teams and had to give 1 goal start when they played division 2 teams and over the day scored 7 goals and only conceded 2 actually scored against us goals, The goal scorers on the day were Tayla 3, Emily 2, Tahlia 1 and Temmah got her first ever goal. Their results were Kings Langley(Div 2) 2-1 win, Riverstone (div 1) 0-2 loss, Quakers Hill (div 1) 0-0, Quakers Hill (div 2) 2-1 win, St Pats (div 2) 0-1 loss and finally Doonside(div 2) 3-1 win. Well done today girls. Thank you to Jade and Madeleine from the u/10's for assisting us today.

Round 15 Vs Parklea

The girls continued to show the improvement they have been showing in recent weeks with a 3-0 loss to the unbeaten competition leaders and tried their hardest and refused to throw in the towel when it would have been easy to just go through the motions. Player of the match was Brie just ahead of Jess S. Good effort today girls.

Round 16 Vs Rooty Hill

The girls did not play as well as they have been of late but still managed to draw 1-1 with the team that is 3rd in the competition to show just how much they have improved. We need all the girls to pull together not just rely on a few to do all the work, all the girls did some good things out there today but

U12/1 Girls

some would do a good kick, tackle or pass then just seem to switch off and wait for the play to come back their way. Emily scored a very very good goal today after chasing a pass from Tayla, she beat a defender down in the left hand corner before cutting inside and hitting the ball left footed and the ball sped along the ground hitting the far post and going in, it would be a contender for goal of the year in any comp. Some really good efforts today from Jasmine, Brie, Georgia (as always), Tayla and Jess C in goals and our player of the week Jess S who was very good at sweeper and defused many dicey situations. Lets finish the season on a positive note girls.

U17/1

Round 10 v Mt Druitt 14-0 Win

It was good to see we fielded a team after 3 weeks of wet weather. Great effort all over the park as we only had eleven players and it was a 9am kick off. There was some good goals scored this week. Goal Scorers Rushy (4) Dennis & Bobby (3 each) and 1 to Wedgy, Rhys, Greg and Mo.

Round 11 v Parklea 3-0 Win

Great Effort with only the bare 11 again. It was good to see the ball doing the work instead of us. A few defensive blunders but we will work on that. Goal Scorers this week 1 each to Rushy, Nathan L and Greg.

Round 12 v Quakers Hill 1-0 Win

Gutsy effort guys as we played Quakers at Quakers on a sticky pitch. Goal scorer this week - Rushy.

Round 9 v Blacktown Workers 4-1 Win

Good effort as it was your 1st game under lights on a cold and drizzly night.

U17/1

Welcome back Shorty. Goal Scorers this week Rushy (2) Greg & Shorty (1) each.

Round 13 v Eastern Creek 7-0 Win

It was another good effort this week with passes connecting and field positions being held. Goal scorers this week Rushy (4) and (1) each to Shorty, Rhys & Brent.

Round 14 v Oakville 3-1 Win

We got off to a slow start maybe it was the 9.00am kick off or the cold morning out in the sticks. Not sure which. It didn't help when they fielded 12 players the 12th being the Ref. It seems your fitness is high as they were changing 2-3 players every chance they got. Great team effort. Keep it up. Goal scorers this week Rushy (2) 1 to Greg.

U12/2 Girls

Round 12 Vs Plumpton-Oakhurst.

A very difficult game for us with Plumpton winning 14-Nil.

Round 13 Vs Quakers Hill.

Glendenning Reserve on a cold sunny morning with a packed hill saw the girls bounce back from their worst result of the year to their best result so far and our first competition points.

After a pep talk in the sheds before the game with everything from looking at all our games this year to the coach quoting the rocky song "Trying hard now, it's so hard now, trying hard now, Getting strong now, won't be long now, getting strong now, Gonna fly now, flying high now, gonna fly, fly, fly..." and finishing with our war cry "Who are we? HAWKS!". We took to the field as a team with a job to do.

"The 17/1's are currently sitting on top of the table and have had a great season - Good Luck in the Finals boys!"

U12/2 Girls

Quakers Hill scores an early goal in the first half and the girls battle hard to the break to keep the score at 1-nil. Some great defence and a couple of chances up front kept us in the game.

At the break the girls enjoyed a drink and a few red frogs. A few pointers and some re-assurance saw the girls take the field for the second half with a spring in their step.

They knew the game was there for either team to win. Midway thru the second saw Ashley on the end of some good team work to score our first goal of the year. The rest of the second half saw us finish the game of stronger than Quakers Hill with the support from the now thousands on the hill (It sounded like that from the cheers and support) now supporting the girls. Unlucky the ref called full time just a the girls really started to dominate as a team and were on the hunt for the winning goal.

Back in the sheds the room was electric with excitement as the girls came to realize what had just been achieved as a team. For the rest of the day I received congratulations for the draw. However the congratulations must go the girls for their achievement. They do all the hard work on the field.

Some thanks to some people for helping to achieve this result. Goalkeeper training Fran and Johnny. Defence training Christian and Alicia. General play and skills Jeff, Brent and Luke. About a week after the game I was given a piece of paper to read. It was an email from the Plumpton-Oakhurst coach congratulating the team on their result against Quakers Hill.

The Girls knockout saw the girls play 6 games in a day. We had 2 losses to Div 1 teams, 1 Loss to a Div 2 team, 2 draws with Div 2 teams and a draw with a Div 1 team. This also gave me a chance to read the email to the team and

U12/2 Girls

parents. The team decided to go down and watch Plumpton-Oakhurst play a game and thank the coach for his email. Which in turn Plumpton-Oakhurst came up to watch us play as well.

Our second last game of the day was against our Div 1 team. The girls lifted as they did not want to get beaten. In a hard fought game with more action between the 2 managers and their boxes on the sideline. By the way who bet on who's team winning?. The Div 1 team finished the game in front and saw Michelle supply Fran with a bottle of her favourite beverage.

Do the little things right girls and the win will be there. Try Hard, Get Strong, Gonna Fly... Who are we? **HAWKS!**

Thanks

Sean

The boys played their best and 6 seems to be a lucky number for the Tigers. They tried their best to keep the opposition away from their goals but they kept slipping through.

Loss 5-0

We played at home this time and the team was out to win with all good intentions. Better luck next time boys.

Round 16, 25/7/09
Doonside 3 v Lourdes 0

The boys showed a vast improvement over their games of late. We were passing the ball around well and keeping our shame much better than we have recently. As a result we went up 2-0 in the first half, with Pedrag scoring both goals, in the 8th and 25th minutes.

We started the second half where the first left off and Adrian scored after 2 minutes. We were unlucky not to score again with shots from Adrian, Pedrag, Kasem and Josh narrowly missing their mark. We seemed to clock off after about 15 minutes but by then we had the game wrapped up. A good all round effort.

Man of the match: Pat

Round 8, 26/7/09
Doonside 0 v Workers 1

What a great game! We really took it to the undefeated leaders of our competition and came within a whisker of coming away with the win.

We attacked well with Pedrag working hard in the midfield, feeding Adrian and Kasem well. We had our chances but just couldn't put the ball into the back of the net. In particular one terrific strike from Adrian from wide out beat the keeper but hit the cross bar and came back out. Shortly after, a great cross from James found Adrian at the back post but again the finish just wasn't there.

Jonno was also having a great game in defence, working well with Pat and Thomas at the back. Adam pulled off a number of good saves and positioned himself well. All of the boys deserve a pat on the back for their efforts in rainy, slippery conditions. Well done.

Man of the match: Pedrag & Jonathan

U13/3

The 13/3's are on fire. In the last 3 rounds 13/3's have had a blinder, winning every game and staying on top, aiming again for the Grand Final. Last weeks catch up game against Oakville was a testament to the attributes the players bring to the team. Khalid Moussa scored a terrific goal with a spectacular "Header" set up by Mohammed Mohammed. This kind of co-operative play rivals A Grade soccer. Our team Goalie, Jarrod Suto shined once again, saving several spectacular attempts at goal that would make Mark Schwarzer proud. The entire team has played with such coordination and synchronicity to bring their best to the table once again. I have to say that I am truly proud of each and every player for their concerted effort and determination to bring out each individuals best to create a formidable team. Go Doonside Hawks, make us proud as always.

Igor Suto Manager Doonside Hawks 13/3.

U6 Magpies

The team have played six games since our last match report and it is great to see that at the tail end of the season all players have improved their skills.

The Magpies have had some ups and downs over the past weeks but at the end of the day all the players are having a fun time.

It has been a pleasure to watch all seven of our players, Jayden, Brannen, Julius, Max, Jason, Zac and Abby grow as players and come together as a team.

I would like to take this opportunity to thank Walter for all he has achieved with the Magpies this season. Coaching a team that has a 21 month age
