DOONY VS DOONY WEEKEND

We ended a long pre-season of trial games with a Doony vs Doony weekend at Glendenning Reserve. Mate against mates and a bit of the battle of the sexes theme with girls v boys and men vs women. It was all played in the fun spirit it was intended and everyone looked to be having a great time. We had a visit from Tommy ten pin from AMF Bowling and

organised a jumping castle for the kids.

MERCHANDISE

All Merchandise orders will be placed online this year and delivered to the club for your collection.

There is a wide range of products for sale including Jackets, Hoodies, Polo and training shirts.

COMMITTEE REPORTS

VOLUNTEERS

Parents, the weekends are becoming increasingly busy for us at home games and we (DHSC committee) find ourselves quite stretched between running the canteen & BBQ as well as

commitments we also have individually as coaches, managers and to our own playing children. We are asking for parents to give us 1/2 - 1 hour of your time after or before your home games.

Some Clubs have enforced a team roster which is compulsory but that step we would like to try first. Your help would be greatly appreciated and it could be as simple as stocking our fridge or turning a few sausages. Just ask any person or whoever is in the canteen how you can help. Remember, money raised from the canteen goes towards the end of year club presentation for your child...

STRIPS

This year I will be collecting the strips at the conclusion of the teams last game. We will launder them, sort and rebag them.

Please help me by ensuring all the jerseys are accounted for. More details will follow closer to the end of the season.

New Jackets and Hoodies are available online. The Hoodies have choice of grey or maroon. We hope to add more items soon.

Check out the link at www.doonsidehawks.com.au
If you have ideas on what items you want to buy in Hawks

colours, email me doon-sidehawks@optusnet.com.au

COMMITTEE REPORTS CONT..

A FEW REMINDERS...

1. Club Strips.

During the season, there has been an increase in players wearing the Club Strip outside of match games.

We would like to remind all Coaches, Managers, Players and Parents with the exception of our female players, that under NO circumstances is the Club Strip to be worn outside of match games.

This means it cannot be worn to the game, home after the game or around the streets or to shopping centres. The Club Strip should be carried by the Team Manager at all times. This is stated in the Doonside Hawks Handbook for 2013 in Clauses 23 and 24.

2. Parking at Glendenning Reserve.

(a) As we are all aware, parking at Glendenning Reserve is limited, especially when it is raining and or the surrounding grass areas are still damp.

However, there are still some people that will still park in front of the access gate to the fields or the disable car spaces.

We would like to remind everyone that there is NO PARKING in front of the access gate to the fields (gate near the Rubbish Bin Compound) as this access gate is used for emergency vehicles, such as an Ambulance during matches if required.

If the gate is opened in the morning by the Committee, this means that you are permitted to park on the grass area near the residential boundary fences. We are lucky to have this area to be used as additional parking if needed, but if we abuse it, the gate will be locked in the future.

Please do not park anywhere near the fields or behind the Goal Posts.

(b) At Glendenning Reserve, we are allocated 3 marked disable car spaces.

These disable car spaces are the 3 car spaces closest to the storage facility and the footpath leading up to the Canteen.

As we all would like to park as close as possible to the

fields, these 3 marked car spaces are reserved for those that display a current national disable parking authority, which is required to be display on the windscreen of the vehicle at all times.

So if you have not got a current national disable parking authority, please do not park in these car spaces during training days or match days.

3. Centre of the Full Fields.

Reminder to all Coaches, Managers and Players that if matches are being played on the 2 full fields at the same time, the centre area and technical areas (cricket pitch) between the 2 full fields are for the Coaches, Managers and Players who are actually playing in those matches at that time.

This area is not for Players from other teams, family members and friends.

All Coaches and Managers in technical areas should have their club identification cards displayed at all times during the match.

4. Smoking at Council Grounds.

A reminder to all that in the City of Blacktown, smoking is no longer permitted at any time on the fields or surrounding areas, such as the Canteen, Toilets and Car Park. This includes training nights and match days.

If you need to smoke, you will need to move outside of boundary fences of Glendenning Reserve.

PROFILES

JEFF HARRIS

Been at the club for 13 years and on the committee for the past 8 years.

Other positions held apart from President are Club Coach and Junior Club Captain.

My main duty as President is to oversee the club and chair all meetings.

Currently coach the U 14 Girls and play in the O35's team.

MARCEL HABER

Was introduced to the club through Eric Sondaar and have never looked back.

I've actively been involved coaching Doonside soccer teams from u/6 to u/12 and am in my 5th year of coaching.

I have been a committee member for three years, and also take part in the social committee.

In 2013 I took on the role as grounds man which involves cleaning the grounds and line marking the fields.

I enjoy the social aspect of the game and get a buzz from developing players and the challenge of competition.

MARIA VLISMAS

My first year in the management committee as Publicity officer.

For a bit of fun and fitness, I played for AAL5 in 2011, 030W in 2012 and currently, back with AAL5.

I got my calling last year when Enza Kursun shouted out to the ladies team that canteen volunteers were required.

From there it's fairly obvious that I would naturally progress to becoming a volunteer coach for the U11 Echidnas team as well as auspiciously being sworn in as social organiser for AAL5.

At the moment, my role is a mix of editing pre-season flyers & newsletters, assisting with the development of junior players, canteen shifts and at times BBQ duties.

I enjoy great challenges as they lead to great rewards but more so learning that the reward is in the challenge!

U5 KANGAROOS

U5 – KANGAROOS

Welcome to our U5 players. These guys are our youngest players in the club
They are absolutely great fun to watch.

It is really hard to choose who will be Man of the Match each week
because they are all so good.

If you get a chance come down and watch them.... they show what the
sport is all about.

All the boys have received Man of the Match – Joel, Rayyan, Thomas, Lucas,
Juelz, Declan and Brooklyn.

One Saturday, the boys had to endure a rainy game and boy did they get
soaked! But they had fun!!

They are a great little team trying each week to get that ball into the goal...
sometimes in the other team's goal but what can I say, it's nice to help the other team
out.

Thanks to all the parents, Aunts, Uncles, Grandparents, brothers and sisters and
family friends who turn up each week to support the boys.

Keep going boys we are very proud of you!!

U6 KANGAROOS

The team has been learning and improving every week. Teamwork and passing have especially improved. Keep up the good work.

Great work Alison, Archie, Harrison, Luke, Philip, Teagan and Zairus. This team has been learning and improving every week. Teamwork and passing have especially improved. Keep up the good work.

During the half time break of every game Coach Lana likes to talk to and encourage the players. Before she can do that they all need to compare who has wobbly teeth and how many teeth they have all lost. It is a very important part of the half time break.

Congratulations to Coach Lana on developing these players' skills.

U7 SHARKS

Half time team talk and the players are listening intently to the coach.

They are all improving with every match.

Eve, Caleb and Timothy are always running and tackling.

Navin and Aryan are becoming great defenders and Chad always knows how to find the back of the net.

Great work team - keep it up!

Coach - Andrew Sondaar

Manager - Eric Sondaar

U11 ECHIDNAS

The boys are enjoying themselves and improving their ball skills along the way.

Everyone tried out different positions on the field showing their skills in attack and defence. Four of the boys had the chance to play in goal showing me their willingness to have a go!

Andrew and Kavin with excellent defence and attacking ability, repelling play at every opportunity.

Mathew, Emran and Marvin chasing and pouncing panther-like on each ball with great runs down the wing.

Jordan and Harry showing lion heart courage with important clearances, freeing the ball at crucial moments in the game.

Riley, Daniel and Jacob breaking the play open and going forward to score.

Connor shutting down the opposition with his fantastic GK abilities.

The boys gain confidence with each game, improving on communication and working together as a team.

They show commitment and dedication, supporting each other as they develop positional comfort on the field .

Keep up the great work team and have fun!

Coach Maria & Manager Kerry

U12/1

Round 1 Doonside 3 v Glenwood 2.

The boys had their first comp game at home and got off to a great start with Jack Hawks finding the back of the net within the first two minutes.

Both teams fought hard and Doonside took control of the match with another goal to Jack.

Glenwood were able to snatch a goal after a mix up in our defence, the rain was pelting down which made for slippery

conditions with both teams finding it hard to really feel comfortable.

A third goal to Doonside gave us some breathing space after Dylan Clements was quick enough to act on Glenwood's

goalie fumble. This allowed us to be 3-1 in front and the boys instead of taking further control – lapsed and allowed Glenwood to score a second goal.

Player of the match went to our goal keeper Joshua Mijas for some brilliant saves and for his gutsy effort in slippery conditions.

Round 2 Doonside 1 v Minchinbury 1.

We had another home game and the boys were happy to be playing in drier conditions.

Today I was very impressed with the teams ball control and movement. The boys dominated the game from the start with some pin point passing and movement into space.

It was great to see the lads play as a team and have faith in one another instead of trying to take on the opposition as individuals. Emmanuel Dolo evaded two defenders to go out wide and whack the ball past the goalie.

A few injuries caused some positional changes and with three minutes left in the match MINCHINBURY were able to equalise.

The boys deserved a win after holding out the opposition for so long but overall it was great to see the boys play as a team.

Player of the match went to Bradley Rodriguez for his dominant runs and great passing.

Round 3 Doonside 0 v Lourdes 5.

The boys met a very well disciplined Lourdes team today.

The away team took control of the match from the beginning and scored within the first two minutes after an accidental hand ball from the home team.

Soon after the Lourdes team were able to score again due to their quick play of the ball and controlled passing up the pitch.

The Doonside team were not on their game today and by half time were in deficit by 3 goals.

The second half gave us a few opportunities to score but our attempts were just wide or too high.

We could not get ourselves into the match and Lourdes were able to score two more goals.

The boys were very undisciplined and what made matters worse was that some members of the team did not hold position.

Round 4 Doonside 0 v Quakers Hill Tigers 3.

The team required a few starting changes as members of the team did not show.

The boys played well in patches but just could not finish off the opportunities given to them.

Quakers Hill Tigers were able to score early and by half time we were 2 goals behind.

We made some positional changes for the second half and overall the kids did well and kept the opposition with their own half for most of the match.

A much better display by Doonside in the second half with Michael Gorman and Dylan Clements having solid games.

Bradley Rodriguez showed some magic footwork and for his first year of soccer is doing well.

Player of the match went to Jack Hawkes who worked nonstop with some great running and leadership thru the middle.

The boys have no easy games this year and need to show some more hunger for a win and also need to be first to the ball and eager to tackle.

As a coach I was pleased with the effort and the team unity.

U12/1 CONTINUED...

Round 5 Doonside 1 v Parklea 6.

The boys just did not show up today, when you are playing good competition the team needs to commit fully. We played ok however we were beaten all over the park by Parklea who played a good team game. Very hard to build on any good play when the lads are not first to the ball and do not pressure the opposition. Isaac Robillo managed to score our only goal with some swift left footwork whilst the best player for Doonside went to Jonathon Tan for his defensive work.

Round 6 Doonside 2 v Plumpton Oakhurst 4.

The team got off to a very slow start which allowed the opposition to score within 40 seconds and to make matters worse we allowed them to score again from the kick off.

Plumpton had some quick players who promoted the ball forward and were always threatening our defence. We were able to hold some possession and with some good team play managed to find the back of the net thru Michael Gorman who is coming along well being his first year of soccer.

One of our players was sent off for a foul mouth and this allowed Plumpton to take hold of the game and punish us with another two goals. Jack Hawks was able to score for Doonside and the score remained at 4-2 at half time and the rest of the match.

We were able to scramble well in the second half and with a few positional changes we were able to keep Plumpton scoreless for the remainder of the game.

It was disappointing to play the match with a man down but the boys pulled together well and finished strong, this was a match that the boys could have won and I hope they have learnt a lesson from the send off offence.

Round 7 Doonside 2 v Prospect 0.

The lads played some great soccer today and from the start we could see that both teams were evenly matched across the park.

Doonside had the better passing game and were able to take control of the game.

Our strict team play allowed the lads to move forward and pressure Prospect.

Amara Konneh had an outstanding match thru the mid field and was rewarded with a goal and also player of the match.

Kieran Uys picked up our second goal for the team and the boys held strong to keep Prospect scoreless.

Round 8 Doonside 2 v Glenwood 1.

The going was tough from the start as we played with no reserves. The team had to work hard for the opposition were fast and direct with the ball.

We suffered a little due to not being first to the ball but managed to play an excellent first half and as a coach I could not ask for more from the team.

Amara Konneh and Isaac Robillo scored some great goals to give us a 2-0 lead before Glenwood scored before half time.

The second half was a little quite from our boys as fatigue was kicking in and Isaac had to play the rest of the match limping and uncomfortable from a heel spur.

The lads did enough to win the match but could have scored a few more if not for the off sides.

Round 9 Doonside 2 v Minchinbury 1.

The boys had a wealth of possession early but an injury to one of our backs allowed Minchinbury to put first points on the board.

The score was 1-0 at half time and the team had a lot of work to do to give them a chance of a win.

Rohan Nath was welcomed back into the team and his strong presence was felt with him scoring a solid goal from 15 metres out.

The teams were now equal but a free kick to Jack Hawks from 20metres out was all that was needed to put the Doony boys in front.

Jack struck the ball well and the keeper had no chance if stopping the ball.

We were very solid at the back but need to be more assertive with more team play to bother the competition leaders.

Strong games by Nathaniel Olsson and Nathan Haber from the back with Rohan Nath leading from the front.

Player of the match went to Bradley Rodriguez for his contribution from right forward, some great crosses son.
